Meat Camp Community Fair Wonderful Success

Wednesday, October 29th was a red letter day in the Mount Pleasant community of Meat Camp Township. Under the direction of the Wide Awake Community Club the first community fair was held.

The exhibits which would have been creditable for a fair of years of experience in a county or a state fair exhibit, showed the excellent work done by the various committees, wisely chosen by the president of the Club, and the President of the Fair Association.

The entire day was brim full of good fun. While the judges were deciding on which exhibits the blue ribbons and the red ribbons should be placed the large crowd assembled were listening to an interesting and instructive address by Hon. R. L. Doughton, popular farmer and statesman on the subject of good roads.

The next feature of the program was very important and thoroughly enjoyed by all. It was the giving of a most appetizing picnic dinner that had been spread by the ladies on the long table provided by the men.

This afternoon program consisted of a most excellent address on Education by Professor Vance Howell of the A. T. S., a few fitting and well chosen words by Mr. Winkler, state candidate and last but not least the helpful talks by the judges showing the defective features of the various exhibits in contrast with the ideal.

When the fun and sport as planned in the program, was at its best pitch then came the end. All went home to return in a couple of hours to the community play which had been worked up by the wide awake and splendid teacher of Riverview, Mrs. Hardy Lyon.

Behind this progressive movement we must not lose sight of the hand played by our efficient and esteemed county farm agent, Mr. A. B. Steele. Exhibits Taking first and second prize.
