About the time of children's hour last Friday ghosts and goblins could be seen stalking slowly about the countryside, coming from every angle. Promptly at seven o'clock many trucks and automobiles were parked in front of the school house bringing people from all parts of the community both young and middle aged.

The school house was decorated with autumn leaves of many colors. The dim light of the lanterns and Jack o' Lanterns together with the color of the brown leaves furnished

GRAND ARMISTICE DAY CELEBRATION AT N. WILKESBOR

Frank West's Shows and American Legion in Galaxy of Glory Midways and Parades—Thousands in Attendance from Everywhere.

W. A. Watson, Special to the Democrat.

It seemed that the world had opened up with a grand festival and celebration to come in attendance at N. Wilkesboro on Armistice Day.

The writer arrived there at the opening hour, just as everything was getting in full swing for the day which was a grand one for all who were in line for the great evening on the fair grounds.

Frank West's great Midway Show was the star attraction in order for this celebration given under the auspices of the American Legion which has a strong post in the county of Wilkes at North Wilkesboro.

The above shows certainly did have amusement for the masses, crowds. The midway covered a mile through the entire grounds and one could find any type of entertainment from jazz to Oriental dances to Seventh Heaven, so to speak.

Of course there were all kinds of things that the unwary was prompted to waste his money on and things that would never have happened there if the people at large had read the exposures of the show world in the Country Gentleman which exposed the graft of shows that carried such attractions.

Money flowed in great streams as there were all kinds of rides such as the caterpillar, merry-go-round, ferris wheel, and the wall of death or motorcycle riders who staged thrilling stunts for the love of money and the passion of man.

There were good things and the bad things mixed, but it takes all of this to pay the piper with his flow of money which fills the pockets of the vendor, and a day like this all in attendance spend so freely as the drunken sailors to a man who is on the alert to see what is going on in a merry crowd of mixers out for a good time as the folks often say.

We as a free lance writer, give things according to our way of understanding and thinking and when we find a good thing we gladly spread the good news, but often one is criticised for his honest opinions even if in the right.

The day ended in perfect harmony and in high spirits and good order prevailed on the grounds, and if it did happen over in Wilkes county we never saw a single person with the color of strong drink on him, which speaks well of these good people who live in a great county like Wilkes, where moonshine has had such sway in the days of the past.

We were glad to be there and went away with a feeling of great pride as the day closed and when we were on our way homeward we could only say: "It has been a great day."

"Red" Grange

An excellent new picture of "Red" Grange, Illinois backfield player, and the most sensational football star of the year.

a mellow glow. The temperature of the school rooms was made comfortable by two warm stoves. Then one by one the ghosts slowly filed into the building, marching silently around the room three times; Nobody in the house spoke a word and no sound for a few minutes was heard save the feet of the ghosts which were stepping as lightly as those of cats. After many guesses as to who these masked creatures were, the throng of spooks unmasked.

Then a number of games were played, some of which were as follows: A barnyard game, diving by boys and girls in tubs of water for apples, fortune telling and a ghost story. After these games were completed the community sang together several melodies returning home as early as nine o'clock.

BAPTIST WOMEN SEEK \$22,000,000

SACRIFICIAL EFFORT IS BEING MADE TO RAISE THEIR FULL SUBSCRIPTION TO 75 MILLION CAMPAIGN

NEW PROGRAM PLANNED

Provision Made For Support Of General Causes Through Canvass of Members November 30—December 7.

Under the leadership of the Woman's Missionary Union, auxiliary to the Southern Baptist Convention, the Baptist women of the South are seeking to raise \$22,000,000 in additional

MISS KATHLEEN MALLORY Corresponding Secretary, Baptist Women's Missionary Union

each year now and the end of the year for the Baptist 75 Million Campaign, thus matching their subscriptions in 1923, when the program was launched, with annual payments, it is announced at Baptist headquarters. The women were asked to assume responsibility for \$15,000,000, or one-fifth of the goal of the Campaign, but their subscriptions went far beyond this.

Their original goal of \$15,000,000 in cash had been reached by the women June 1, 1924, and under the leadership of Miss Kathleen Mallory, corresponding secretary of the Woman's Missionary Union, they are making extra efforts to meet their pledges as well as their quota. Thousands of Baptist women throughout the South are practicing self-denial in many ways in order to make special contributions to the missionary, educational and benevolent enterprises embraced in the Campaign, while other thousands who have already paid out their subscriptions are making special thank offerings that the goal may be reached. Reports indicate that thousands of Baptist men as well will redeem their subscriptions in full during this year.

Large Results Obtained

Indicating some of the results that had been realized from the Campaign up to May 1, 1924, the general headquarters reports that the foreign mission force has been increased over 100 per cent, while as many persons have been baptised on the foreign fields in the five years of the Campaign as there were church members there at the outset of this program after 75 years of missionary effort. In the realm of home missions the 1,170 workers report the baptism of 203,582 persons, organization of 1,095 new churches and 3,283 new Sunday schools, and the completion of the \$1,000,000 Church Building Loan Fund.

An average of 2,734 state mission workers have been employed during the Campaign who report 240,856 baptisms, organization of 1,646 churches and 3,835 Sunday schools, and the erection or repair of 2,331 houses of worship. Into the 119 Southern Baptist schools, colleges and seminaries the Campaign has put \$7,628,485 in permanent improvements, \$2,910,420 in maintenance, and \$2,732,331 in endowment while \$1,277,021 has been employed in the cancellation of outstanding debts.

Old Preachers Aided

As a result of the Campaign more than 1,000 aged preachers and their dependent ones have been helped. \$4,464,000 has been put into 19 Baptist orphanages caring for 4,000 homeless boys and girls, while the number of Baptist hospitals in the South has been increased from 12 to 24.

In order that there may be no let-up in the support of the general missionary and other causes fostered by the denomination at the close of the 75 Million Campaign, plans have been perfected for the projection of the 1925 Program with the week of November 30-December 7, when an every-member canvass will be made of the 28,000 Baptist churches of the South for the support of state home and foreign missions, Christian education, ministerial relief, hospitals and orphanages next year. These are the same interests that have been embraced in the Campaign but they will be supported in the future on the basis of annual subscriptions from the members of the churches rather than on a five-year pledge.

Want \$15,000,000 Next Year

Reports reaching the general Campaign headquarters are to the effect that organizations have been set up throughout the territory of the Southern Baptist Convention looking to the completion of the old Campaign through the redemption of the pledges, and the successful launching of the new program through the taking of subscriptions for next year at the same time. It is the hope of those charged with the leadership in these programs that a minimum of \$15,000,000 will be raised for the general denominational enterprises in 1925 and that each year thereafter there will be an increase over the preceding year.
