

LOCAL HAPPENINGS

Newland court this week.

Mr. W. D. (Boy) Morefield, of Neva, Tenn., is in town today looking over some business propositions with a view of locating, or at least, buying some property here.

Miss Maude Goodwin of Butler, Tenn. is a guest for the week of Miss Blanche Smith.

Mr. I. W. Coyle, lessee of the Daniel Boone Hotel, was in town last night and today in the interest of his business. He left this afternoon for his home in Statesville.

Mrs. J. A. Kent is spending some time at the old home of Prof. Kent at Lenoir. From Lenoir she will go to Winston for a week's visit with relatives.

Mr. D. H. Crabtree of Durham was the week end guest of Prof. and Mrs. J. A. Williams at their apartment on the Blowing Rock road.

Mr. Webster Davis who was knocked down and seriously hurt by an auto four weeks ago is still confined to his bed, but is slowly improving. Last week his recovery was considered very doubtful. He is now able to be up at short intervals.

Mr. Thos. Wall of Todd, happened to a very serious accident late yesterday afternoon. He was hauling logs, when his wagon overturned and caught him underneath the heavy load. He was rushed to Watauga Hospital. Dr. Perry says he is badly crushed and it is impossible to say what the outcome may be.

Two Sunday Schools, Methodist and Presbyterian from Limestone and Washington College, Tenn. will arrive in Boone on a special train next Sunday soon afternoon. It is a picnic excursion and the two hundred strong composing the party will be welcomed by the people of our city.

Mrs. Solomon Younce of Mabel is spending the week with her daughter Mrs. John York. She was in to see The Democrat this morning and left a renewal for the paper that has been a weekly visitor to her home through many years.

Tomorrow will be good bye day to Boone for the large student body of the State Normal. It has been an exceptionally nice bunch, and it is with regrets that the people of the town will see them leave. However they will be followed by others who will flock in for the second summer term that will open next Tuesday.

Every hotel, boarding house and even the private homes that would take lodgers at all, in Boone, were filled with visitors last Saturday night. Reservations were made at Blowing Rock for the overflow of guests from the Daniel Boone. The intense heat is driving tourists to the Carolina mountains in numbers unprecedented in the past.

Mrs. Moody of Fayetteville, N. C. was in town a short while last week end. She coming the mountains in quest of a summer home. She was not here more than an hour before she bought a lot in the Daniel Boone Park, the plans for her house to be sent to a contractor here at once. She was accompanied by her daughter and grand son.

Prof. Roy M. Brown of Raleigh was in town the first of the week to go over the plans with the board of county commissioners for our new jail—this being part of his work with the State Welfare Department. However Mr. Brown will soon vacate his position, as he has been elected to the chair of Sociology in the University of North Carolina, which position he will hold after Sept. 1.

During the electric storm on last Monday the milk house, built to, and a part of the H. J. Hardin home, near Boone, was struck by lightning and considerable damage was done to that part of the building. Fortunately no one was hurt, except Mrs. Hardin's sister, Miss McKary, who was slightly bruised by a piece of crooked that was hurled against her. The sleepers and sills supporting that part of the house were badly shattered.

Mr. W. S. Miller of Todd was in town a few hours on business yesterday afternoon. He reports that the survey on the road through that section is progressing nicely. The survey now being made leaves the Big Hill out, it going up by Mr. Miller's home one mile above Todd and intersects the graded road at Geo. Greene's store, which is considered the most practical route. He also stated that the grading out from Jefferson is almost completed to Baldwin.

It is gratifying to know that Mr. Ed Luttrell of Shulls Mills who was so seriously hurt in an automobile wreck last November is to the astonishment of the doctors and surgeons who have examined him, slowly but surely improving. Only a few weeks ago he was sent to John Hopkins Hospital, but got no encouragement whatever. Now he is able to sit upright in a chair and is rapidly regaining the use of his limbs. He has said ever since the accident that he would again walk, and it seems that his predictions will come true.

Mr. James H. Taylor who is now in his one hundredth year, is a very sick man at the home of his son Mr. J. L. Taylor on Route 1. His daughter, Mrs. J. S. Stanbury of Boone is with him and his son, Presiding Elder Seymour Taylor of North Wilkesboro has been at his bedside. "The Grand Old Man" is loved by all who know him, whose sincere hope is that he may soon recover from his seeming right serious illness. LATER—News from Mr. Taylor today is very encouraging. He is resting well and his general condition seems better.

LEARNED MINISTER AND FAMILY HERE ON VACATION

Rev. Marian Browning, wife and daughter, with a native Cuban boy, all of Wilmington, N. C. are here for a few weeks vacation. They have taken rooms for light housekeeping in the home of Mr. J. P. Hodges, where a right liberal pounding was given them on Tuesday night by the members of the Christian Adventist and other denominations.

Mr. Browning might well be termed a world-traveled minister, as he has the distinction of having preached under twenty foreign flags, as well as where "Old Glory" floats over thirty states of the union. He has held services three times so far in the court house, and at the county home Sunday afternoon, all of which have been enjoyed. The quartette are all musicians, and their wonderful renditions add much to the services. Mrs. Browning who is a native Cuban is also an ordained minister of the Adventist church and a great helper to her husband, who has been engaged in missionary work for many years. They are delighted with this section and we hope their stay will be most pleasant.

The Land of the Sky—
During road builders have opened to the world the mountains of Western North Carolina. New lakes, new resorts, new communities are in the making. Older cities are growing great. In the up-building of this new national playground, Jefferson Standard money is at work.

The large Home Office Building of the Jefferson Standard is a symbol to the outside world of one of North Carolina's successful enterprises.

With Jefferson Standard's fourteen millions of dollars of investments working in practically every village and hamlet in North Carolina, it is only natural that right-thinking Tar Heels should insist, more and more, that their insurance needs be covered with a Jefferson Standard policy.

Doesn't it follow that the policies of this BIG HOME COMPANY are
