Can You Find the Missing Words—\$20 in Prizes

FREE

SAVE PART ON SAVINGS ACCOUNT

Did you ever realize that if you save \$1.10 each day for ten years it will amount to \$5,200.00 and in fifty years amounts to the vast sum of one hundred sixteen thousand dollars.

We pay four per cent interest on Savings Accounts, compounded every three months. Start today for that day of possible want.

RULES OF CONTEST

On this page the business firms of Boone have some good news for their patrons. Read these ads and win some money. You not only have a chance for a prize but by reading the ads you will likely find where to buy just what you want and at a great saving over what you have been paying.

In one or more ads there will be missing words. To the person who finds most of the missing words and corrects the ads accordingly will be awarded a cash prize of \$2 each week. Clip the ads, print missing words on the margin and indicate its position in the ad. Bring or send to the Democrat by Wednesday of each week following publication day on Thursday.

This contest lasts for 10 weeks, and except in case of a tie no person may receive but one prize.
