**LOCAL HAPPENINGS**

Miss Lucy Moritz left Tuesday for Butler, Tenn. where she visited relatives returning today.  
H. O. Absher and family were in Boone a few minutes Sunday, en route home after a trip through the mountains of this section.  
Miss Annie Fowler of Anderson, S. C. has returned to her home after a visit with her college mate, Ruth Rankin.  
Hon. Julia Charles and Miss Lula Hillhouse of Greenville, S. C. were visitors at the home of Dr. and Mrs. J. D. Rankin Saturday.  
Mr. Carey Moore of Washington, D. C. who has been spending a few days with relatives here in Boone, left this morning to resume his work in the Capital Library.

Superior court, full term, will convene in Boone on next Monday Sept. 7, with Judge Stack presiding. The docket for the term is rather light. The homicide case of D. W. Wooten charged with the killing of Triplett, is the only case of a great deal of importance, which of course will consume much time.  
Mr. E. A. Poe, of the Poe and Tradler firm, contractors of Genoir who with a big force of hands, man and horse carpenters has been here all week continuing for the past two and a half years, completed his big job of work at the school, the post week and the workers disbanded. While here they erected five buildings for the state, about four million brick being used, and the group, for beauty and workmanship could hardly be anticipated. Mr. Poe is still here looking after the finishing touches on the Carolina store which is almost done.

Say, friends, if you are one of the few who are in arrears on our subscription list, please call while in town next week and settle the little score.  
Dr. English, specialist of the eye, ear, nose and throat will be at the Watauga Hospital on Monday Sept. 7th for the practice of his profession.  
Miss Floy Cannon of Boone will leave tomorrow for Cabarrus county where she has taken a position in one of the public schools of that county. She will be located near Concord.

**DR. A. W. DULA**  
  
**EYE SPECIALIST**

It is gratifying to know that Dr. J. M. Hodges who was so painfully hurt in an automobile accident nearly two weeks ago, is now able to be up at short intervals and from present indications it will not be so long until he will be able to take up his practice again.  
Prof. J. T. C. Wright who has been taking a degree course at Peabody, Nashville, Tenn., returned with Mrs. Wright and the kiddies, who during his absence have spent the time with relatives in Pennsylvania, last Friday. They are now occupying their pretty home in the school section of the town.  
Mr. T. Finley Coffey of Manning, S. C. attended the funeral of his brother Mr. E. S. Coffey of Boone last Tuesday, leaving on his return Wednesday afternoon. Fin seemed very much his old self, despite the sad mission on which he came and it seemed good to his old friends and associates to be with him again. He is bound to say that he would like to be in Boone again but says just now business conditions prevent it, but he still hopes to come here later.

If we pay taxes and are law abiding, and uphold law and good morals and try to preserve good order the people should try to have power to suppress these evils. If not we are working handicapped and are living in a time of vanity and in vain.

**TO WATAUGA TAX PAYERS:**  
Look on left corner of tax receipt and see if it says taxes for 1924. If not better be getting it as I have one against you, and find lots of people thinking they have paid their 1924 taxes as the 1923 receipt did not have the year printed on it and the date when paid is not meant for the year taxes are for. Be sure and pay not later than court week.
