AGONIZING PAIN QUICKLY BANISHED

Two applications of home remedy gave complete relief

Don't suffer—don't wait for pain to just wear off. Give it relief at once with a very simple home treatment.

"I could not sleep or do my work," writes a Washington, D. C., woman, "but now I can walk and do my work and sleep at night. I used Sloan's Liniment only twice and it relieved me of my pain. It is just wonderful. I will never be without it."

This is only one letter but it is typical of thousands that the makers of Sloan's have received, testifying to the amazing relief that Sloan's gives to every kind of muscular pain.

No need to rub, it's the medicine itself that does the work. Just pat it on. Instantly it sends the fresh, healing blood tingling through the sick tissues—and the pain simply has to go. So clean and easy to use too. Get a bottle today. All druggists—35 cents.

the BULL'S EYE

Editor and General Manager
WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Ziegfeld Fellow and screen star, and leading American humorist. More coming. Watch for them.

I see where some of the Foreign Nations say they are going to FUND their debt to America, and all the Papers are all excited about it. But the BULL'S EYE is a Paper that never misleads our readers (either one of them). FUNDING a debt means about the same thing as having a fellow that has owed you for years, come to you and say "I am going to make arrangements to take up that loan I owe you just as soon as I can collect it from some fellows who owe me." So don't by any means get FUNDING mixed up with PAYING. The two have nothing in common. These Nations are just stalling until another War comes along and the first thing you know our debt will be four Wars behind. We have enough saved up to fight again, but they are using it now to enforce Prohibition.

Okey, "BULL" DURHAM. I like to forgot to mention that. Well, that is what the Foreign Nations are paying us in. "BULL" DURHAM without the DURHAM.

Will Rogers

P. S. There is going to be another piece in this paper soon. Look for it.

Backache on the Farm

The farmer's wife who bears and rears children, does her own housework, keeps chickens and has other outside work to do, needs a sound back to carry her burden of toil. So does the farmer, who has to work early and late, and to do much bending and lifting.

Unfortunately, it is a fact that more farm men and women than other people suffer with lame or aching backs, and it is a trouble that allows hardly a moment's peace, day or night.

Chronic backache is very often due to weak kidneys and for kidney trouble, Dr. Pierce has worked out a new and special remedy, "An-uric." Ask your nearest dealer for it.

"An-uric," by increasing the flow of the urine, helps the kidneys to flush out of the system the uric poisons that cause the damage to the kidneys and bladder, the aching back, swollen joints and many aches and pains that are ordinarily called rheumatism.

Write Dr. Pierce (above), President Invalids' Hotel in Buffalo, N. Y., for free medical advice.
