ADVENT CHRISTIAN CHURCH

Last Sunday was a splendid day for the church. The Sunday school attendance was 58, which is more than double the church membership. The contest between the Reds and Blues is gaining in interest every Sunday. The Blues are yet ahead, but the Reds are very tricky and may forge ahead on the home stretch. The male quartette from the Normal School, whose membership consists of Prof. J. T. C. Wright and Messrs. Estes, Laxton and Ramsey, sang three splendid selections for the Sunday morning service. Everybody present enjoyed the singing more than mere words can tell. Everybody who heard the singing are anxious to see the quartette make a return visit. A large number of Baptists and Lutherans were welcome visitors at both morning and evening services. The Adventists are not trying to injure any other church and are delighted to have other Christians enjoy worshipping with them. The Sunday services will be in charge of the pastor, Eld. R. N. Baldwin, who will preach at both services. Sunday morning his subject will be "Pauls Arrest at Jerusalem." In response to many urgent requests the pastor will preach Sunday night upon the Twentieth Chapter of Revelation. There are possibly a dozen different theories extant concerning the meaning of this chapter. It

would pay every one who can do so to hear Eld. Baldwin's treatment of this chapter. The announcement concerning the literature from this church is bringing requests for reading matter. So far all requests are being promptly filled.

COVE CREEK ITEMS

Sutherland high school was defeated by both the boys and girls teams of the Cove Creek High School. The games were played at Sutherland on last Friday afternoon. Miss Vergie Reeves of the Appalachian Normal spent the week end with her sister Mrs. W. T. Payne. Mr. Chauncey Moody has bought out the grocery store owned by D. F. Brown. Miss Maude Perry is home from the hospital in Charlotte where she underwent a rather serious operation. Mesdames L. E. Moody, J. S. McBride, Nan Johnson and D. F. Horton attended the annual W. M. U. Meeting in Raleigh last week. They report a most interesting meeting. P. G. Spainhour arrived home from Florida last week. A. C. Mast has enlarged his store building. When the building is painted it will present a very greatly improved appearance. Early to buy your Gingham BUT when you only have to pay 16c per yard for 20c goods. Henry J. Hardin

New Way to End Dangerous Cough

The most stubborn cough is relieved with the first dose, and is very often broken up entirely in 24 hours by a new method based on the famous Dr. King's New Discovery for Coughs. Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a decongestant action. It not only soothes and heals soreness and irritation, but also loosens and removes the phlegm and congestion which are the direct cause of the coughing. So with the cause removed, the severest cough usually disappears quickly. Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too -- no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for
