FRIDAY AFTERNOON CLUB

The Friday Afternoon Club held a delightful meeting March 5th with Mrs. John H. Burdin.

The afternoon was pleasantly spent in conversation. Plans were made for a musical program in May and other business was discussed.

Mrs. Estes from Canada was an invited guest. Many of the club members are girlhood friends of Mrs. Estes and her presence added pleasure to the occasion.

Following the social hour the hostess served delicious refreshments in two courses in which the St. Patrick day idea was attractively introduced. The first course consisted of creamed chicken, stuffed eggs, baked apples, sandwiches, crackers and coffee and was followed by frozen whipped cream and Lady Baltimore cake.

The next meeting will be with Mrs. Spoles March 19th.

Miss Lena McMillan was a visitor at chapel on Monday.

Word from Baltimore as to the condition of Charles Isaacs is not encouraging.

Mr. and Mrs. A. S. Johnson of Amanda have moved to Todd where Mr. Johnson has a position with the highway commission.

They'll Dishrag You Every Time
 Trying to buy a tire for less than it's worth is just one example of the triumph of hope over experience.
 Sure, some tire dealers will dicker with you—give you all sorts of trick discounts and long trades. Why not? It's a cinch to pad up the old price list to allow just such deals.
 But don't forget you're playing the other fellows game and the odds are nine to one that he'll dishrag you every time....
 My customers buy Goodyear tires because they have learned that Goodyears give them the least trouble and the lowest cost per mile—these—after all is said and done—are the things to look for in any tire.
 Let me show you a Goodyear next time.
