GREAT DEMAND FOR WATAUGA COUNTY CHEESE

Many orders are being received for Wath the county cheese that cannot Happenings of Interest During Past be filled. Watnuge factories. have. turned down orders during the past six weeks amounting to \$2,000. The orders could not be tilled because the factories have contracts ahead for quantities of cheese not yet made.

The Beaver Dam factory has just finished manufacturing cheese for an order received in September.

This is a good indication that Watauga cheese is finding its way to the markets and that the public is satisfied with the quality that is being

At the present time 757, 177 pounds of milk is being made into choose annually to North Carolina, North Carolina con-umes annually 8,250,-000 pounds of cheese, which is equivalent to 82,500,000 pounds of milk. Three cows on each farm in Watsuga, Avery, Ashe and Alleghany counties could produce this amount of milk which, if made into cheese and sold on the present market would bring \$1,815,000.

This would be a fine income and is within the reach of every farmer, if there is no cheese factory in your section, get ten farmers to agree to furnish one hundred pounds of milk each per day and build a factory. 1 will be glad to give information relative to organization, building or operating cheese factories. My of-fice is located over the Watauga County Bank
