You know why." It seemed to Edite that, as he end, indee Random Perkins shifted his thick while hand until it threw know that hundreds of thought of the indeed a shadow on his face, making its end pression impossible for interpretary from But when he had only in the first of the pression and indirection and indirection and the pression are the pression are the pression and the pression are the pression are the pression are the pression are the pression and the pression are the pression and the pression are th was thrust out.

ine was thrust out.
"This purports to be a confession by one Heeman Libras that he was desiring the track which callided with a nistor car on the fiver road last submer, caseing the death of Mes. Maria Knowes," he said, in measured colories tones.

"It is a certified copy of the confession," Eddie corrected hou, naiet

The judge bowed, "So I se

"It completely exquerates me. I was convicted of managingator to gone court because of that accident." Yes; the evidence

"Was mostly prejudice, I was real-ly convicted of taking a drink."

"Granted that may be in a measure true. What is your purpose an coming to me. The press will publish this, and you will be set right in the eyes of the community."

Eddie teased forward. "Judge," he and "the ress game, wellighed.

Eddie learest forward "Judge," he said, "the newspapers published a statement from you after the governor pardone i me. You said his mation was a miscarriage of 'usaite' and a 'traversity' You did all you could to ruin me. Now-"

"I did make such a statement," agreed the purist. "I was not crying to ruin one. But you were half.

to ruin you Bur you were half-drunk when the accident happened You had liquor illegally in your possession. You had been drunk before In the circumstances I consider the statement unite pistified."

"All right," replied Eddie, easily, "I wanted to get your ideas on the subject. But I came for something

else, really. Your own—"

The door of the judge's study opened. A dark weak-toted young man entered. "Hello, dad," he began, and stoped. "Didn't know you were busy." He scowied as he recognized Eddie. "What's he been telling

"He has been trying, because of certain circumstances," said the judge formidably, "to force me to reverse myself on that accident of

lat spring. He has cold me—"
"You sneak!" interrupted the dark
young man, passionately, turning on Eddie. "So you had to come and spill it that I was with you that night. I was coming to tell him myself. We agreed, Nance and I, it was the thing to do. And you spoil—" "Randolph!" His father's hard Chings like that. for another supply, especially weeks

Ford Transmission Bands are quieted and Ford Engines are protected by the double-action of "Standard" Motor Oil

You will never know kow good your Ford car is until you lubricate it with "Standard" Motor Oil for Fords. It means less upkeep, longer life, and quiet bands. You can actually feel the difference.
