

Mighty Haag Shows
Coming to Watauga

The Mighty Haag Shows, an old-fashioned circus with two rings and a stage, and all the old-time features in abundance and many new ones added, is coming to Boone for two performances, afternoon and evening, September 1. This season is the 47th for the shows on the road. They are offering as one of the many features, a number of dancing horses that do the Charleston and Black Bottom with all the ease of a finished human dancer. The beautiful horses carried by this show, it is said, are the talk of every community in which it stops.

The menagerie is composed of lions from Africa, ferocious Bengal tigers from India, huge elephants, man-like apes, monkeys and camels. The program under the big top opens with a spectacular pageant entitled "A Night in Asia." A multitude of people take part in this unusual and magnificent spectacle, which brings to view many gorgeous gown creations and costumes from all four corners of the globe. The band is under the direction of Frank Maister, the world's youngest band director. It is composed of 25 men, offering everything from opera to hitting jazz.

Her Children a Joy

"When I was not more than 13 years old mother taught me never to take spells of biliousness, indigestion and sour stomach lightly," says Mrs. C. E. Hancock, whose home is at 1310 Boyle St., in Houston. "She started me taking Herbine then, and what a blessing it has been for me! My four children are always well, with good appetites and a big store of energy. Any time one of them gets a little sluggish, breath is bad or I see the tongue becoming coated, I give him a teaspoonful of Herbine."

Herbine is a vegetable liquid so concentrated you only have to take a teaspoonful to get results. Herbine does nothing more than keep the stomach and bowels active so gas cannot accumulate, you make you bilious, dyspeptic or suffer from sour stomach, sick headache and indigestion.

A Sour Stomach

In the same time it takes a dose of soda to bring a little temporary relief of gas and sour stomach, Phillips Milk of Magnesia has acidity completely checked, and the digestive organs all tranquillized. Once you have tried this form of relief you will cease to worry about your diet and experience a new freedom in eating.

This pleasant preparation is just as good for children, too. Use it whenever coated tongue or fetid breath signals need of a sweetener. Physicians will tell you that every spoonful of Phillips Milk of Magnesia neutralizes many times its volume in acid. Get the genuine, the name Phillips is important. Imitations do not act the same!

PHILLIPS Milk of Magnesia

DR. CALDWELL'S THREE RULES

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation is a mild vegetable compound. It can not harm the most delicate system and is not habit forming.

The Doctor never did approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colds. Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, just write "Syrup Pepsin," Dept. BB, Monticello, Illinois.

IT'S WISE TO **CHEVROLET** CHOOSE A SIX

Announcing a new production record

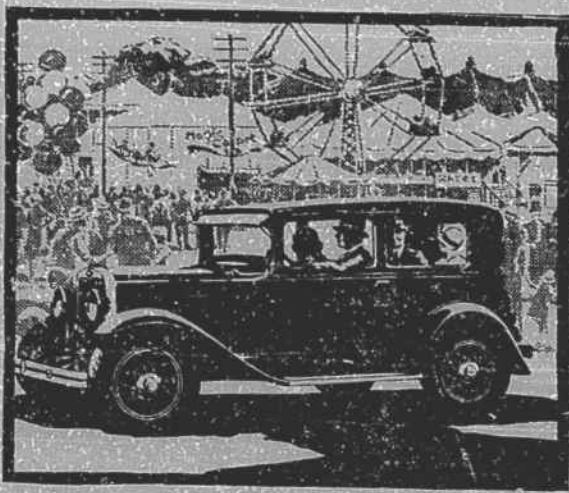

2,000,000 Chevrolet Sixes now on the road

Since January, 1929, Chevrolet has produced and sold over 2,000,000 six-cylinder automobiles—nearly five times as many as any other manufacturer has ever built in an equal length of time.

These 2,000,000 buyers have chosen Chevrolet because it offers many desirable qualities not obtainable in any other car so low in price—

—the smoothness, silence and flexibility of a modern six-cylinder engine—the comfort and roadability of a modern, full-length chassis—and the style, safety and distinction of bodies by Fisher.

Yet, despite these fine car advantages, the Chevrolet Six is unusually economical. Its gas, oil, tire and upkeep economy is unsurpassed. And

The Coach, \$565, f.o.b. Flint factory
