

Sunday School Lesson

REV. SAMUEL D. PRICE, D. D.

International Sunday School Lesson for March 22nd THE USE AND ABUSE OF GOD'S GIFTS Luke xii, 16-21, 41-48

Though the lesson text does not deal directly with the subject, the quarterly temperance lesson must be pressed with special earnestness. Therein we have one of the liveliest topics of the day. Test this out by reading the daily paper for a week seeking down to date news on this subject.

In parable form Jesus tells the people in Perea about the man who thought only of his personal gratifications and desired to do as he pleased regardless of any influence on others. In story form a rich man was portrayed. This man was headed for the goal, judging by his objectives in life. He had productive fields which yielded far more than enough for his needs.

When the climax was reached all were startled by the question which Jesus asked. What will you do with and who was unfaithful to his trust required of thee this night? That inquiry brings each one face to face with the Judgment Seat of God.

Peter brought forth the next story and we have the parable of the steward through education. while he thought the owner was far away. Thinking power was taken away by the indulgence in strong drink. When in that condition the supposedly trustworthy man harmed his fellow servants and also himself. Society can never be safe when right-mindedness is taken away by any habit forming drug. The corrective is made very clear in the Golden Text: "Be not drunken with wine, wherein is riot, but be filled with the spirit." Ephesians v, 18. The Government will be increasingly effective in stopping commercial violations of the law. The Sunday School must meet the non-commercial violations in history?" asked the teacher of a

Silage and pasture cut the grain feed bill of Oldham Brothers, dairymen of Chatham County, by 60 per cent. during the past winter. The cows are in better condition than usual, say the owners.

"Who was the most capable man in history?" asked the teacher of a bright young lad.

"Well," said the boy, "judging from political talks over the radio, it must have been one of the last crop of candidates."

Mrs. Bynum Banner Entertains At Bridge Party.

Banner Elk.—Mrs. Bynum Banner gave a bridge party honoring her sister, Miss Margaret Hubbard, of Wilkesboro. The house was beautifully decorated, the color scheme being white and green, in keeping with St. Patrick's Day. Prizes for high score and low score were won by Miss Birdie McRae and Byard Stinson. Delicious refreshments were served to the sixteen guests.

SOUR STOMACH

JUST a tasteless dose of Phillips Milk of Magnesia in water. That is an alkali, effective, yet harmless. It has been the standard antacid for 50 years. One spoonful will neutralize at once many times its volume in acid. It is the right way, the quick, pleasant and efficient way to kill the excess acid. The stomach becomes sweet, the pain departs. You are happy again in five minutes.

But don't depend on crude methods, try the best way yet evolved in all the years of searching. That is Phillips Milk of Magnesia. Be sure to get the genuine Phillips Milk of Magnesia, the kind that the physicians prescribe. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! A harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine. That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.
