

FUTURE FARMERS CLUB AT COVE CREEK IS ACTIVE

On Monday night, October 23, there was a call meeting of the Cove Creek Chapter of Future Farmers of America for the purpose of initiating the new members or "Green Hands." The following were initiated: Howard Rowe, Lenwood Blair, Brady Campbell, James Brown, Earnest Caudill, Frank Caudill, Horace Bingham, Robert Lewis, Marion Johnston, Owea Hodges, James Greer, Tommie Ward, Jethro Harmon and Lee McGuire. Prof. George Farthing of the faculty was initiated as an honorary member. Refreshments were served, and it was an enjoyable occasion for all present.

Members of the F. F. A. Club rendered the following program in chapel on Friday morning, October 27: Devotional by Fleanor Hodges; F. F. A. songs by Prof. Farthing, Fleanor Hodges, Wheeler Farthing, Charlie Mitchell and Alfred Adams. "Harvesting Farm Crops" was discussed by James Sherwood Stanley A. Harri Jr. made a talk on "Marketing Farm Produce." The Green Hands were lined up across the stage, and Olin Combs gave the qualifications of a Green Hand. David Horton gave the qualifications of the "Farmer," or second degree. Dottie Glenn gave the qualifications of the "Carolina Farmer," or the third degree members of this organization. Wheeler Farthing gave his experience as a "possum hunter." The program was closed by a song.

The sixth regular meeting was held on Friday afternoon, October 27. The by-laws of this organization were read by Secretary Charlie Mitchell. Lenwood Blair talked on "Feeding Cost." James Brown discussed "The Costs and Benefits of Running Water in the Farm Home." "Improvement of Dairy Shows" was discussed by Brady Campbell. Jokes were told by Frank Caudill. Reported by Alfred Adams.

SEED SHOULD BE PLANTED NOW FOR SPRING PANSIES

The pansy is becoming more popular in North Carolina flower gardens but two many growers depend on buying plants from nurseries rather than producing them at home.

"We have found that the average gardener may grow his own plants with fair success by observing a few simple rules," says J. G. Weaver, in charge of the horticultural greenhouses at State college. "The pansy grows best in cool weather and there is still time to sow seed for flowers next spring. To grow the plants successfully one must prepare the seed bed carefully. This means pulverizing the soil for about six inches and raking away all rubbish. Add about one inch of well rotted manure to the bed and place about one-half an inch of good garden soil on this. Smooth it down and soak the bed with water."

Weaver says the seed may be planted on this bed in rows or broadcast. It is better to drill the seed and cover them lightly with fine sand. Keep the surface moist but not wet. This may be aided by covering the bed with unbleached sheeting. As the plants come through, gradually remove the shade. Never allow the beds to become dry as this will be fatal to growing strong plants.

As soon as the true leaves are formed, remove the pansy plants to their permanent location. Weaver says it is not wise to transplant any more than is absolutely necessary.

D. B. Dougherty is completing an extensive barn.

We are pleased to see the pleasant face of J. H. Bryan of Lenoir among us this week.

Professor Fred Page, the blind musician, will have an entertainment at the courthouse tonight.

Dr. Reeves and Wiley H. Farthing, candidates for the Senate, are in Alleghany and Ashe counties on the campaign.

Captain Coffey has completed the turnpike and awaits a meeting of the directors to deliver the road. This road is the best improvement this county has ever had.

Our candidate for representative, A. J. Fletcher, is making a splendid

canvass and so are all the other county candidates. All seem to be in good cheer of the results.

We are indeed pained to hear that Major H. Bingham of Statesville is very unwell again. Mr. Thomas Bingham of Amantha passed through town Tuesday on his way to see him.

Cards are out for the marriage of Mr. A. C. Floyd to Miss Florence Irvine. The marriage will take place on the 8th of November at Columbia, Tenn. Arch is well known here and his many friends extend congratulations.

Old Mr. Ransom Coffey, who lives on Middle Fork, recently returned from Tennessee. His wife had been over there for some time and took sick and died before her husband knew of the sad occurrence.

CHESTERFIELD CIGARETTES ARE A BALANCED BLEND OF THE FINEST AROMATIC TURKISH TOBACCO AND THE CHOICEST OF SEVERAL AMERICAN VARIETIES BLENDED IN THE CORRECT PROPORTION TO BRING OUT THE FINEST QUALITIES OF EACH TOBACCO. I keep coming back to that word "balanced" on the back of the Chesterfield package. YOU often hear the word balance—something is out of balance—top-heavy, not on an "even keel." What you read, "Chesterfield Cigarettes are a balanced blend," means that the right amounts of the right kinds of tobacco are welded together; that is, home-grown tobaccos, the right kind, the right quantity—are blended and cross-blended with tobaccos from Turkey and Greece. When these tobaccos are balanced one against the other, then you have a mild cigarette. When they are in balance, then you have a better-tasting cigarette. May we ask you to read again the statement on the back of the Chesterfield package? May we ask you to try Chesterfield? Chesterfield A Balanced Blend
