PAUL IN CORINTH

LESSON TEXT-Acts 18:1-17; I Cor. 1:1-2:3 111-23.
GOLDEN TEXT--For 1 determined not to know anything among you, save Jesus Christ, and him crucified. Cor. 2:2. PRIMARY TOPIC-God's Care at

Night. JUNIOR TOPIC-Paul Gets New Courage.
INTERMEDIATE AND SENIOR TOP-IC—How to Work With Others.
YOUNG PEOPLE AND ADULT TOP-IC—Unity in Christ.

The establishment of the church at Corinth is an example of missionary endeavor for all ages. The method employed and the message delivered which resulted in success then will result in success now

I. The True Missionary Method

(Acts 18:1-3).
Paul came to Corinth a stranger in a strange city. His method of gaining a foothold was,

1. Finding a home (v. 2). This he found with Aquila and Priscilla who had recently been expelled from Rome. Being of the same nationality, there natural affinity with them.

2. Toiling for daily bread (v. 8). Paul was of the same craft as his host. Every Jewish child was taught some trade by means of which he could gain his livelihood, should occasion require. Missionaries should not be above honest toil.

II. Preaching in the Synagogue at Corinth (Acts 18:4-8).

1. Compelled to toll for a living (v. 4). Though compelled to toil for a living, he did not lose sight of his main work. He reasoned in the syna-gogue every sabbath, persuading the Jews and the Greeks.

2. His activity increased through the coming of Silas and Timothy (v. 5). This was caused by, a. Favorable report from the church

at Thessalonica. This report put new vigor into his labors.

b. They brought pecuniary gifts from the Macedonian church (Phil. 4:15; H Cor. 11:9). Being now free from the necessity of tolling for a living, he could devote more time and energy to preaching the gospel.

c. Silas and Timothy became helpers to Paul in the work.

3. Increased opposition (v. 8), Paul's increased activity met with increasing

opposition,
4. Paul announces his purposa to turn to the Gentlles (v. 6). This was and blasphemy of the Jews.

5. Paul in the house of Justus (vv. 7, 8). He remained sufficiently near those whose hearts God had touched that they could easily find him. His success here was such that Crispus, the chief ruler of the synagogue, was converted. Paul departed from his usual custom and baptized Crispus.

III. Paul's Vision (Acts 18:9-11). This vision was for the purpose of giving encouragement to Paul at this time. His experiences in Europe wera most trying.

1. "Be not afraid" (v. 9). The one The Cove Creek Chapter of Future who is doing the will of the Lord Farmers of America met in regular need not be afraid.

2. "Speak, and hold not thy peace" voice of God cannot refrain from

who faithfully carry out the divine commission can be assured of the divine presence.

4. 'No man shall set on thee to burt thee" (v. 10). No harm can come to the Lord's servant until his work is

5. "I have much people in this city" the divine message can be assured that his ministry cannot fail.

IV. Party Spirit in the Corinthian Church (I Cor. 1:10:18).

In this church rival factions were contending against each other. Some were for Paul, some for Apollos, some for Peter, and some for Christ. The cause of this threatened division was failure to see the true headship of the church. Christ is the one and only Head, and the members composing his body cannot be divided. Membership and interest all center in Christ. By one Spirit all were baptized into the one body (I Cor. 12:13). Sectarianism is an evil to be deplored. The factious spirit in the church mars its testimony and retards its growth. Those who understand the oneness in Christ will be joined together in the same mind.

V. The One Supreme Message of the True Preacher (I Cor. 2:1-8). It is Jesus Christ and him crucified. Prejudice and human limitations pre-
