Bethel High School And Community News

Quite a wind storm swept through this community Sunday evening, accompanied by right much hail. So far as is known, no serious damage was done, notwithstanding the fact that in some places the hail could be picked up by handfuls.

A Parent-Teacher Association was organized at the school building last Wednesday night. C. A. Clay was elected president; W. W. Wilson, vice-president, and Miss Ona Farthing, secretary-treasurer. Quite a number were present and they all seemed very much interested in lending their support to the school, and especially toward getting the project through for the building of a new schoolhouse. Unless a special meeting is called the next regular meeting will be held on the third Wednesday night in October.

Rev. Greene, of Boone, pastor of the Baptist Church at this place, filled his regular appointment Sunday. After the sermon, the regular annual communion services were held.

Miss Bonnie E. Dickson and Mrs. Winkler, teachers in the Bethel school spent Tuesday night with Miss Mary Lee Bingham of Sugar Grove.

Mr. and Mrs. O'Neil and family spent Sunday with friends in Boone.

Miss Funderburk, who has spent several years as a missionary in China, spoke at the Baptist Church Sunday night and at the opening session of the school Monday morning. She is scheduled to speak again at the church tonight (Monday). It is not known just now whether or not she will speak longer. She gave a very vivid description of the needs of real missionary work in this great country. It is very evident that her efforts are inspiring people to contribute more liberally to foreign missions.

Messrs. C. M. Dickson, Clyde Perry, and C. A. Clay made a business trip to Boone Saturday.

Within the past week, Mr. Clyde Perry has shipped about 500 bushels of potatoes.

Magician Coming

Edward, the Magician, will appear at the Auditorium of the Demonstration school on the evening of October 2, and the proceeds from his performance will be used for the benefit of the high school library. The exhibition which is sponsored by the High School, begins promptly at 7:30 and the performer is said to be unusually able, performing with ease many of the feats performed by Houdini and other notable masters of magic.

ISN'T IT strange how some men insist on guarding against all fire hazards in the kitchen and living room . . . yet they will allow waste paper, oily rags and scrap wood to pile up in the cellar?

These men know they should clean up this rubbish . . . and they also know the value of having sufficient sound fire insurance, too.

Mountaineers to Meet Lenoir-Rhyne in Opener

The Appalachian State football club—whether it be called Mountaineers or Rippers—is bearing down this week in preparation for the season's inaugural Friday night against Lenoir-Rhyne in Hickory. Feeling runs high on the squad, with the players being just about the only ones who will concede Appalachian State a possible chance against their more experienced rivals.

But if fight means anything, then the State eleven is an even bet against the Hickory boys. They are in rare shape, and should be able to keep that first eleven in the game all six minutes. The lack of reserve material is State's greatest weakness just at the present.

The New Deal in athletics at the local school is meeting with praises on all sides, and should the Mountaineers win, then the local coaching staff will be looked upon as miracle men. They have already done a wonderful job in rounding the boys into shape, and their work has only begun.

Coach Brewer will not issue a pregame prediction, but is of the idea that an early attack is the best chance Appalachian has of winning. Coach Stewart believes that Appalachian may overcome their lack of experience by fight, and that should this be the case, State will open their season in the victory column.

It is thought that the starting lineup for the Lenoir-Rhyne game will have Rudisell and Matthews or Holt at the ends, Wilson and Hobbs at tackles, Farthing and Smith or Collins at Guards, and either Frank Moore or Herby Adams at center. Captain Trippany and Wally O'Neil will be at the halfbacks, with Foy Martin, young Mississippi junior college man, doing the signal calling. Either Webb Ward, Bob Agle, or Rovie Angell will complete the starting backfield.

Fall Junior Meeting At Pineola In October

Mr. Wallace Gentry of Elk Park, District Councilor, will preside. Mr. Clyde R. Green of Boone, District Deputy, will make a report of his work for the past six months. The District Degree will be conferred on those attending for the first time.

At 7:30 p. m., a public meeting will be held at which time Monroe Adams, of Statesville, N. C., State Councilor, will deliver the principal address. Mr. C. W. BIRTHDAY DINNER

Sunday, September 22, a group of 250 or more people gathered at Mr. and Mrs. R. L. Wagoner's (known as Uncle Dick and Aunt Sarah) while they were away at Sunday School and erected a long table. The good ladies for miles around loaded this table with the finest food to be had, prepared by the best cooks in the land (and if you were ever at a public dinner on Stony Fork you know what I mean).

When Uncle Dick and Aunt Sarah arrived they were surprised. But after some serious calculations and reference to the family Bible and other periodicals, it was proved that the satisfaction of all concerned that it sure enough was Aunt Sarah's birthday, and she passed the 67th milestone in this journey of life.
