

ALL-STAR SQUAD BEING SELECTED AT APPALACHIAN

Poll Being Conducted in Order to Decide Players and Positions: Everyone Urged to Vote

In an attempt to establish an all-star first and second football teams here at Appalachian State Teachers College, Professor Wright and the coaches of the college are conducting a poll in order to decide the players and positions for the two squads.

The players receiving the most votes will be placed on the teams, and they will hold their distinctive positions until next year, at which time a new balloting will be held to decide what substitutions will be made.

The coaches and other sponsors of this procedure have urged that all persons interested in the voting to either send in a list of players which they think should be placed on the teams or cast their votes at one of the local drug stores where ballots have been distributed for this purpose.

Listed below is a list of football players who have held positions on Appalachian's football team. This number does not include all of the college's stars, however, it is possible for the voters to include others in the balloting:

Ends: Canipe, Fyatt, Goins, Kammacher, Ray Walker, McConnell, Hooper, Rudisill, Lackey, Earl Smith, Farley.

Tackles: Red Smith, Mahoney, McDonald, Vance, Livingston, Westenberg, Oehler, Turbyfill, Hobbs, McCann, Eggleston.

Guards: McKinney, Fortner, Loy, Wortman, Chivous Hoyle, Dougherty, Cline Farthing, Ervin Smith.

Centers: Moore, Johnson, Fulkerson, Adams, Hal Farthing.

Backs: Conrad Hinson, Williams, Calhoun, Red Walker, Baucom, O'Hare, Triplett, Hallyburton, O'Neal, Weaver, Trippany, Fitzgerald, Harris, Wilson, Angel, Ward, Stines, Martin, Earl Henson.

COLLEGE CO-OPERATES IN RED CROSS CAMPAIGN

One of the most encouraging features of the Red Cross Roll Call which begins November 11, reports say, is the co-operation between the students of the college and the merchants, in the matter of advertising the campaign. The merchants are each lending one show window which will be decorated by some student organization. Both business men and students are entering enthusiastically into the plan and it is expected that this unusual feature will do much toward making the roll call plan a success.

Mrs. James H. Council, Red Cross chairman, makes the following statement regarding the Red Cross:

"The Red Cross draws no distinction of race, creed or color. The organized resources of its services are restricted only to need. In its eyes all people are equal who need help. The Red Cross does not discriminate, it simply aids. This is as true of the local Red Cross serving this community as it is of the national organization. If you want to help your less fortunate neighbors—the underprivileged everywhere—do so by joining forces with this active agent for the relief of suffering through membership. The Red Cross calls the roll, invites your membership, from Armistice Day to Thanksgiving."

LARGE VOTE CAST IN LOCAL CONTEST; THE LATE FIGURES

Success of Democratic Candidates in the County Indicated as Unofficial Returns on County Ticket Come In

Complete unofficial returns at noon Wednesday indicated a majority for the Democratic candidates for county office of about 400, with the heaviest vote recorded in the county for many years. Intense interest was shown in the national election and this is thought to have been partially responsible for the outpouring of the electorate.

In the congressional contest, incomplete returns brought an estimate of a majority of something near 200 for Congressman Doughton over Mayor W. H. Gragg of Boone, but the returns are so incomplete in both this contest and in the state and national voting that no attempt is made at tabulation.

ONE KILLED AND ONE INJURED IN AUTO ACCIDENT

Willie Dressing, of Elizabethton, Victim of Crash Thursday on Boone Trail Highway; Hits Mail Truck

Willie Dressing, age 28, was killed and his uncle, Dr. H. Hoffman, was injured Thursday in an automobile accident 27 miles east of Boone on the Boone Trail highway.

The young man's skull was burst and he died soon after arriving at a North Wilkesboro hospital. The elder man, a chemical scientist at a large rayon plant at Elizabethton, Tenn., was not seriously hurt, being thrown clear of the car after it hit the guard rail fence and a mail truck driven by Roy Sanders. The car, a Studebaker, was a complete wreck and described as beyond repair.

Both of the men involved in the wreck were prominently connected with the rayon manufacturing industry at Elizabethton.

The accident occurred on a curve near the home of Dr. W. R. Triplett. Investigating officers attributed the cause of the wreck to driving faster than was practical around the curve.

ADDITIONAL NYA FUNDS FOR A.S.T.C

Will Give Employment to 40 Students From Drought Area in North Carolina

Six hundred and sixty dollars additional NYA appropriation has been received by Appalachian State Teachers College due to the large number of students in attendance from the drought stricken area of North Carolina. This new addition has made it possible for the institution to give employment to forty more students, thus raising the number of students employed by the NYA to 149.

Counties of the drought-stricken area are: Alleghany, Ashe, Avery, Buncombe, Burke, Caldwell, Catawba, Cleveland, Gaston, Granam, Haywood, Henderson, Lincoln, McDowell, Madison, Mecklenburg, Mitchell, Rutherford, Union, Watauga and Yancey.

A brief resume of the previous enrollments of the college shows that each year approximately 53 per cent of the students came from the dry area. The total enrollment for 1934-1935 was 1,016, 54 per cent being from the drought counties. In 1935-1936, there were 954, 51 per cent of which was from the drought area.

REED COFFEY GETS REPRIEVE

Reed Coffey, Linville youth, first Avery county person ever to receive the death sentence, scheduled to be executed by gas for the murder of his uncle, Hardy Coffey last spring, received a reprieve on Monday to postpone his death date from October 30, until December 18.

The state supreme court has denied the appeal of Coffey, the decision made some two weeks ago automatically setting the execution date for October 30.

Edwin Gill, parole commissioner, said that the reprieve had been granted in order to permit further study of the case.

INJURED IN ACCIDENT

A Mr. Edwards is reported to have been injured when a car tried to have been driven by Mrs. Earl Cook, struck him as he walked into the highway near the Black Bear filling station Saturday night. The wounds did not include any broken bones, it is said, and the injuries are not expected to prove serious. Information is that the accident was unavoidable, and there is no blame attached to Mrs. Cook.

HOEY SAYS A HUGE MAJORITY POLLED

Governor-Elect Predicts Final Count to Show Democratic Landslide in State

The landslide which swept Franklin D. Roosevelt back into the White House for a second term, brought a victory of similar proportions to North Carolina, it was indicated Wednesday morning on the face of rapidly rising tabulations in the balloting of Tuesday.

Clyde R. Hoey, who defeated William Grissom for the governorship, told The Democrat at noon Wednesday that the majority of the major party in the state was ranging from 225,000 to 300,000, with a large number of precincts yet to be reported.

An unusually heavy outpouring of voters, coupled with the fact that electors marked four ballots, has delayed the count, and it will likely not be determined for a day or two, the exact extent of the Democratic victory in the state.

At noon Wednesday, 1,200 precincts out of 1,800 gave Roosevelt 435,000 and Landon 170,000 in the state.

RECEIVES KNIFE WOUNDS

Mr. Guy Stout received wounds about the neck from a pocket knife said to have been wielded by Howard Dula, of Lenoir, as the two engaged in an affray on the streets of Boone last week. The wounds, fortunately, were not serious. His assailant has not been apprehended.

PRESIDENT WINS IN 46 STATES OF UNION IN SWEEP

Landon Gets Eight Electoral Votes, Those of Vermont and Maine, as Unparalleled Balloting Produces Political Sensation

A landslide of ballots, of proportions hitherto unknown in the political history of the country, Tuesday swept Franklin D. Roosevelt into the presidency for the second term, leaving Governor Landon, his Republican opponent, with only two states to his credit, with a total of only eight electoral votes.

Mr. Roosevelt went into an early lead as initial returns indicated his victory in the far west, in the farming regions, in the industrial states of the east, and even in his opponent's state of Kansas. For the first time since the Civil war Pennsylvania came through with a substantial majority for the Democrats, and only the states of Maine and Vermont remained loyal to the Republican candidate. At 2 o'clock Wednesday the electoral vote stood: Roosevelt 513, Landon 8. The popular vote at that time was: Roosevelt 19,700,000; Landon 12,300,000.

Early in the evening Tuesday the Kansas City Star conceded the re-election of the president. The pro-Landon journal was shortly sustained in its judgment by other large metropolitan newspapers, including Col. Frank Knox's Chicago Daily News. Governor Landon, however, withheld formal congratulation of his successful opponent until 2 o'clock a. m. Wednesday.

Mountaineers To Play Catawba Friday

The question that is bothering sport fans of North Carolina, "Just how good is Appalachian State's football team?" will probably be answered Friday afternoon when Kidd Brewer's miracle team meets its crucial game with Catawba. It appears odd for a team which is undefeated, untied, unscored on, boasting of the nation's leading scorer, having thrown their opponents for greater losses than the total gains against them for six games, should go into any game as the underdog, but such is the case concerning the Catawba game.

The Appalachian varsity has played but eleven of the 24 quarters this season, being substituted as a unit rather than one man at a time. The Catawba team has had enough tough games to give Coach Kirkland's boys plenty of seasoning, and his charges will have a definite advantage of experience.

Appalachian will be seeking her first North State conference title in history, and providing that she could luck out a win the title will be hers. The best that any other team could do is win three games, and Appalachian has already won that number of conference battles.

Appalachian's feat in holding Tusculum to four yards from scrimmage established some sort of record for the state. The big Mountaineers' forwards were at the same time throwing the Tusculum backs for losses totaling 95 yards. Kidd Brewer's boys hung up 386 yards from scrimmage and completed one of two passes.

There are so many brilliant stars in the Appalachian firmament that it is hard to pick any special one as outstanding. Earl Smith's work at an end post was probably the highlight of Saturday's game. Hummie Adams and Captain Cline Farthing continued their fine work in the Appalachian line, while the first, second and third string backfield appeared without flaw.

WILKES DEMOCRATIC

Wilkes county, traditionally a Republican stronghold, has gone Democratic for the first time in perhaps three-fourths of a century. Information is that Claude Doughton won in the sheriff's race over the incumbent, W. B. Somers, by a majority of 500, and that the remainder of the Democratic ticket went over by an average of something like 200.
