RECREATIONAL PROJECT STARTS AT BLOWING ROCK

Blowing Rock, May 4.—A WPA recreational program, under the direction of our county supervisor, Mrs. Roy Johnson, will start at Blowing Rock Wednesday, May 5.

All activities will be at the school fallidity and on the grounds.

building and on the grounds. The weekly schedule, from 1 o'clock until 5 each week-day, except Sunday, is

Monday: Games: Ages 4 to 10 years (donation of games will be deeply appreciated)
Tuesday—Active games (ball, etc., ages 10 to 15 years.)
Wednesday—Weaving and sewing
Thursday—Handicraft: Carving, modeling and other arts.
Friday—Dramatics and singing games

Mrs. Paul Klutz and Mrs. Mary Benfield are local leaders. Trained instructors from this county will supervise the work. Each supervisor excels in his or her work and

the arts.
The Junior Community club (recently reorganized), Girl and Boy Scout troops and 4-H club will as-

one will be present to teach each of

sist in this program.

The entire community is invited to atlend and take part in all activities. People of all ages are enabled to learn some art in which they are

The success of this program de-pends largely on the attendance. Those in charge wish to thank the sponsor, county and town people, for their hearty co-operation in making this program possible.

MOTHER Knew Best

While we're marking aside day on which to commemorate Mother's virtues let us not overlook her kindly health knowledge. Mother always seemed to know just what to do to ease those painful and dangerous aches, bumps and bruises. Mother always seemed to have a handy remedy-ready and effect-

And Mother knew, too, that this drug store was the place to turn for aid in all health emergencies. She made this her headquarters for drugs and remedies. For years she has cultivated the habit of bringing every doctor's preservation. ing every doctor's prescription here, where she's assured of careful handling and pure, fresh drugs and chemicals.

Mrs. G. L. Sawyer, of Boone, senior member and captain of the Appa-lachian tennis team, who distin-guished himself on the court dur-ing his four-year college course by winning 45 matches and losing only 13. He and a brother, George, Jr., played in 26 doubles matches in 1934-35, and were winners of 24 of the events. Mr. Sawyer was an honor graduate of Appalachian college last week.

The Polled consignment comes from the R P Adams herd at Whitethorne, Va, and represent 68 PI AND COMPANY CONTRACTOR years of continuous constructive breeding. Such bulls as Golden Ring Janitor, Rodney, Oakwood Bandmas-ter, Fancy Sultan, Ceremonious and Oakwood Royal King are found in the pedigrees of this good herd. The Crockett entries are all sired

by Type's Romper, a good son of Sin.A.Bar Type, out of a Whitehall Sultan cow. The entire offering traces to Cruicksnank breeding and are recognized as good doing cattle throughout the south.

throughout the south

The two females and one bull
making up the J C Keller consignment all trace to good Scotch families. The present herd sire is Robinhood Chief, a son of the 1934 champion Reveal Masterpiece.

Kirkland Farms are using Browndate Diamond and Royal Browndate Diamond and Royal Browndate bett sires and both are rich in

whitehall Sultan. Cattle from the other herds represent similar breeding and quality.

Many of the females in this offering will be well along in calf by sale time, affording an excellent opportunity to buy the two in one kind that are always cheap buys.

The bulls are largely of breeding.

state and out-of state companies, in the total amount of ordinary life inhave. But he does not complain of misfortune to himself he sees futopped all companies writing life in the state in net gain of insurance serves—and gives his life. The ill-

PLANT SOYBEANS AND COWPEAS DURING MAY

The many uses that are being de-reloped for this crop are fast mak-ing a valuable source of cash income, o say nothing of its value in soll-miding, said E. C. Blair, extension gronomist at State College.

he added.

For plowing or disking under soybeans, velvel beans, or cowpeas as green manure after they have attained a normal growth of at least two months, payments will be made at the rate of \$2 an acre. If they are left on the land, the payment will be \$1 an acre.

Blair also pointed out that \$1 an acre will be paid for planting crotalaria, which is considered the best legume that can be grown in sandy soil areas of this state.

Velvet beans should be planted as carly in May as possible, while crotalaria should be sown during the latter part of the month. Cowpeas in may be sown at about the same time as soybeans.

as soybeans

Blair added that the payments
usually take care of the cost of
growing the crops, but their soilbuilding value to a farm is worth

building value to a farm is worth far more than the payments.

These crops may also be used to replace soil-depleting crops when farmers wish to earn the diversion payments offered for taking land out of depleting crops and putting it into conserving crops.

eral months. Interment was in the family cemetery. The deceased is survived by two sons, N. L. and Ernest Glenn.

DRYS CARRY COLUMBUS

Unofficial returns from Tuesday's wet-dry election in Columbus county indicated opponents of county liquor stores had amassed 2,922 votes and proponents 1,325. Wets virtually conceded defeat as the remaining precincts are strongholds of the drys.

More Miles Per Gallon

Is it surprising the number of cars that use 10 to 20% more gas than necessary when only a few minor adjustments would save many extra dollars? Experience shows that nearly every car that IS NOT checked with a Motor Tester at regular intervals is Wasting Gas? The facts are that all cars gradually "get out of line" from ordinary use and should be checked every 3,000 to 4,000 miles. The small cost is offset by the dollars you save in operation, to say nothing of the increased satisfaction.

DRIVE IN-WE WILL SAVE YOU MONEY

Brendell's Garage

Armour's **FERTILIZERS**

We now have on hand plenty of Armour's Cabbage Special. This is the fertilizer that grew as good cabbage as was ever grown in Watauga county, last year. If you don't believe it, just ask your neighbor who used it, for they will always tell you it did the business or failed to do the business-one or the other.

I also have Burley Special Tobacco Fertilizer that made plenty of tobacco in this county, which brought as high as 72 cents per pound last year. It takes good fertilizer to
