The wedding took place in the of Dr. and Mrs. R. O. Glenn in Mountain City, Tenn. Mrs. Shull is with him there. field chapel at Courtland Army Air Base, Courtland, Ala., where Lieut. Chamberlain is a B-24 pilot.

Prior to her marriage the bride was employed in Dayton, Ohio, and Champaign, Ill., where she was serv-ing with the civil service program. Lieut. Chamberlain is the son of Mr. and Mrs. Dwight P. Chamber-lain of Lackawanna, N. Y.

Essay Contest On Birds Is Now Open

It was erroneously stated last week that Dr. R. C. Busteed is chairman of the judging committee for the contest on ornithology being conducted by the Boone Bird Club. The essay contest is being spon-sored through the high schools and local prizes consisting of "Birds of North Carolina" and \$2.50 in war stamps are being offered. The winning local essay will be chosen by judges from Appalachian College, and sent to Raleigh to compete in the state contest. A first prize in the state contest of \$20 is offered by the Academy of Science of the State Museum and second and third prizes of "Birds of North Carolina."

The following high school com-mittees have been named to spon-sor the contest: Boone, Dr. R. C. Busteed, Miss Mary Madison; Blowing Rock, Mrs. J. T. C. Wright, Mrs. Lucile Nash; Cove Creek, Mrs. Dare and instructions for treating ox Strother, Mrs. Elsie Morgan; Bethel, warbles. Grady E. Tester. The essays must

HERE is the man, the American Farmer, whose labors make it possible for all of us at home, and all on the battle front, to put all we have in the fight for victory. His efforts keeps America the best-fed nation in the world.

The farmer's job isn't over yet, and the American public can be certain that he won't let down on the job. He'll keep his products filling the consumers' market, and send enough over there. The farmer is seeing to it that he gets more from his land and livestock than ever before. He knows that the more he puts into the effort the more there 18.

Farmers, for all your needs see us. We can supply your want. Let us help you meet the maximum goal in production.
