From Our Early Files

ITEMS FROM THE DEMOCRAT OF JUNE 28, 1906

Quite a number of people are coming to Blowing Rock, and we are told that a large crowd is expected a little later on.

Frank H. Wyke, who is living at Linville temporarily, has been spending a little time with his mother and sister in town this week.

Mrs. Emma Taylor of Hickory, has moved to her home at Blowing Rock for the summer, and just now is spending a few days with her mother in Boone.

Miss Alice Boyden, who spent the winter and spring with her sister, Mrs. Mary Cole Lanier at Columbus, Miss., arrived at her home in Boone Tuesday.

Messrs. M. B. Blackburn, B. F. Eller, Thos. Bingham and F. A. Linney left Tuesday morning for Wilkesboro to attend the Republican congressional convention.

Mr. W. E. Giles, proprietor of the Blowing Rock Hotel for the past two years, died at his home at Southern Pines Thursday. His son, Emerson Giles, with a number of helpers, was at the mountain preparing for the opening of the hotel, when he died. The son returned home at once and we have not learned who will take charge of that popular resort for the summer.

The attendance at the Training School is rapidly increasing. Alleghany county leads in the number of students, but Ashe is well represented. Wilkes, Yadkin, Alexander, Caldwell, Mitchell and Johnson counties are well represented. There are 117 teachers here, but there ought to be more. The standard of scholarship is high and the students have led the classes in the best schools of the state.

Mr. Thos. Williams and family of New York, arrived in town Tuesday and have taken quarters in the Coffey house, adjoining the Blair hotel. Mr. Williams has for some time been opening a mine enterprise on the Grandfather, and is here for the purpose of developing some mica interests on the lands of B. A. Foster and others on Howard's Creek.

On his return from the Confederate reunion at New Orleans, M. H. A. Davis brought Mr. T. J. Norris a hickory stick cut within a few steps of where he (Norris) shot a Federal soldier in the battle of Missionary Ridge, thereby saving the life of his gallant officer, Capt. B. F. Baird. The smoke, says Mr. Norris, on that memorable day, was so dense you could only see a few steps, when he

splied the boy in blue behind a pile of rubbish, his eye fixed steadily on Capt. Baird, and was in the act of capping his gun, when Norris sent a bullet crashing through his brain. The stick is very highly prized and Mr. Norris will have it finished.

After much balloting, F. A. Linney was nominated for solicitor at Blowing Rock yesterday.

C. G. Horton has the contract to paint the church at Mount Vernon. He began work Tuesday.

Adolphus Cook is building a cottage for Mr. Calloway of Ashe county in East Boone.

Cook Brothers of Boone have opened a neat stock of goods at Sugar Loaf which will be a great convenience to the people of that section.

It does seem to us that it is high time for steps to be taken that would put a stop to this promiscuous shooting in the village at night.

Frank Michael, son of Mr. L. H. Michael of Rutherford, has procured the position of express agent at Winston-Salem.

Prof. White, superintendent of the graded school at Granite Falls, has been added to the faculty of the Training School. He and his wife arrived at the dormitory Saturday night.

Sorry indeed to hear of the death of two of the triplet boys of Mr. and Mrs. Milton Hodges, which occurred last week.

J. W. Bryan has again won the fishing belt. Last Tuesday he caught a speckled trout, 14 inches long, and weighed one pound and seven ounces.

W. R. Moody and wife left Monday for Wyoming where they will make their future home.

We failed to note that Miss Edna, daughter of W. W. Holsclaw, of Vilas, who graduated at Davenport college last session, was elected as one of the faculty for the ensuing year. Although only 17 years of age, this accomplished young lady will teach mathematics and Latin in the college.

By the accidental discharge of a shotgun in the hands of Mr. Ollie Winebarger of Meat Camp, on Saturday, his left arm was so badly mangled that amputation was necessary near the shoulder joint. The operation was performed on Sunday morning, and Dr. Jones told us on his return that the unfortunate young man was resting as well as could be expected.

Mrs. W. E. Harris and daughter, Evelyn, of Charlotte, are visiting at the home of Mrs. Harris' son, Mr. William Rush.

Mr. and Mrs. Earl Parson, Mrs. Grant Parson and daughter, have returned to their home in Lynchburg, Va., after visiting with relatives in Watauga. Mrs. Parson's husband was killed in the Pacific theatre of war.

Mr. Claude Garland, of Shulls Mills, has accepted a position with the Parkway Company. Mr. Garland has been employed at the Detroit Gear Co., Detroit, and Muncie Gear Co., Muncie, Ind., both firms being manufacturers of stoves, washing machines, etc., and more recently has worked with contractors in TVA power dam construction.

Engagement Announced
Mr. and Mrs. C. N. Greene, of Sherwood, announce the engagement of their daughter, Ruby, to Pfc. Willard W. Eggers, son of Mr. and Mrs. Conley Eggers, of Mountain City, Tenn. He is at present overseas. The wedding date has not been decided upon.
