Calvin J. Cottrell has sold his farm at Deerfield and we hope he may locate permanently in our town.

The bond of Clarence Potter was fixed at \$1,000 for the indictments against him, in default of which he is still in jail.

Thomas Vandyke of Deerfield has moved to Flat Top and John C. Brown and family have moved into the home of Mr. and Mrs. Elcana Vandyke at Deerfield, where he will live in the future.

Friend Harve Deal, who has been doing business for W. L. Hendrix of Stony Fork, for some time, has resigned, and will accept a like position with a North Wilkesboro firm after the holidays.

Perhaps the most noted trial that will come up at Lenoir court this week is that of one Green, who was recently bound over charged with complicity in the murder of Lawrence Nelson, Mag Lewis and Ome Greer, two disreputable girls, who figured largely in the trial of Kendall and Vickers, who are now serving long terms in the state prison for the horrible crime, are the

star witnesses against Green and if the evidence of these "soiled doves" is to be admitted, it seems that the trial may result right seriously for the accused.

Rev. David Green of Meat Camp has been very ill for several days past, but is now much improved.

Dr. R. B. Killian of Lincolnton, who has been in Watauga a few days looking after his farm and other business, left on his return Monday. The Doctor is an enthusiastic railroad man and is very hopeful that the road from Lenoir to Blowing Rock will be built and that in the near future.

In our last issue we failed to note that John H. Cook of Deerfield, has sold his farm to Gaither Critcher of Ashe county, and moved to Sullivan county, Tenn., where he has purchased a good farm near Bluff City.

The railroad proposition from Lenoir to Blowing Rock was somewhat mature, but the organization was postponed until the present financial embarrassment is over. The road is much needed, and will be built, we are informed, if the financial conditions improve. The Mountain City railroad has also been postponed.

**Physicians Of Two Counties Organize**

On Wednesday night November 20th a number of the physicians of Ashe and Watauga counties met in Boone to reorganize the Watauga-Ashe Medical Society. Officers were elected as follows: President, Dr. D. C. Jones, Jefferson; vice-president, Dr. H. B. Perry, Boone; secretary-treasurer, Dr. Robert R. King, Jr., Boone; program chairman, Dr. Robert R. King, Jr., to work with Dr. L. D. Hagaman, Boone, and Dr. C. T. Jones, Jefferson. The following business was transacted:

The name of the organization if officially changed to the Ashe-Watauga Medical Society.

The time of meeting will be monthly on the third Wednesday night at 7 p. m. except during the months of December, January, and February when no meeting will be held.

The place of meeting shall alternate between Ashe and Watauga counties.

All meetings will be dinner meetings.

The following doctors were present at the first meeting: Dr.

C. T. Jones, Dr. L. L. Long, and Dr. R. C. Ray all of West Jefferson; Dr. R. K. Bingham, Dr. Len D. Hagaman, Dr. R. H. Harmon, Dr. Robert H. King, Dr. H. B. Perry, and Dr. H. B. Perry, Jr., of Boone; and Dr. Robert R. Garvey of Blowing Rock.

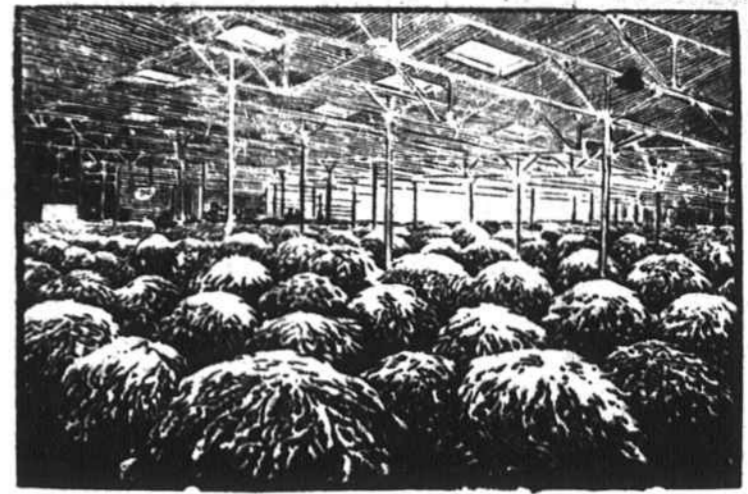

As an exception to the general rule the next meeting of the Society will be held in Jefferson on December 11, 1946.

**HOMECOMING AT STONY FORK CHURCH**

There will be a home-coming in honor of returned veterans at Stony Fork Church the first Sunday in December, the 1st. Everyone is cordially invited to attend. All singers, quartets and choirs are invited. It is hoped that many of the veterans will be present.

Services will begin at 9:45 a. m., and continue throughout the day.

Clinton, Ill.—While doing repair work in a deserted house, Ritchie Roberts, a carpenter, found an old book and paused to leaf through the moldy volume. Out fell a 71-year-old \$10 Federal bank note.
