

THIS WEEK IN

WASHINGTON

Every front in Washington is a political front these days with every action in the administration and within the congress guided by politics, the coming national conventions and the November election.

house may attempt to speed up action on the Marshall plan with Speaker Joe Martin promising a vote before April 10 in an effort to beat the Italian elections on April 18.

dential nomination, were highlights of the political front. While the southern revolt, spearheaded by Governor Tuck of Virginia, appeared to go deeper than was first thought, the more sober-minded southern leaders in the congressional delegation now believe that the so-called secession from the Democratic party will not take place.

ment takes in the communists and fellow travelers while the ADA is definitely committed against communism. The ADA draws its adherents from the liberals in both parties built around a nucleus of the New Dealers who were prominent in the Roosevelt administration.

The big news is PONTIAC A FINE CAR MADE EVEN FINER GM Hydra-Matic Drive optional* on all models A greater car... and a greater value! A year ago today, if you had asked the owner of a new Pontiac what could be done to improve it, he would very likely have told you—"Nothing at all, I like it just as it is." There is new dependability—for the sturdy Pontiac chassis has been improved wherever possible. And there is unbelievably fine performance—for not only have the great Pontiac engines been refined and improved—but Pontiac now offers, as optional* equipment, the sensational General Motors Hydra-Matic Drive. With this miraculous mechanism, you just sit back and relax! There is no clutch pedal, and the gears shift themselves. The new Pontiac is now on display in our showrooms. There are fifteen beautiful models—each a great car and a great value. *GM Hydra-Matic Drive, Bumper Guards and White Sidewall Tires optional at additional cost.
