

### Local Legion Post Improves Property

At a recent meeting of the Watauga Post it was revealed that the membership of the post is now 250, and that considerable progress has been made during the past year.

In a review of activities it was mentioned that last year a junior baseball league was formed, and uniforms bought through the aid

of the Boone merchants. Through Winkler Motor Co., local Ford dealer, the team was outfitted with beautiful and serviceable jackets, the Winkler Motor Co. and others furnishing transportation on several trips. Coaching was done by the Cottrell twins, assisted by Tom Beach. Cleve Gross and Joe Huffman did most of the work on the part of the Legion.

Johnny Hollar, local football and baseball star, is doing a good job of training the boys, both in good sportsmanship and good baseball. Through the sale of season tickets and the cooperation of the business men they are making a fine record.

The legion has been improving its property, a lawn has been provided, roads graded and other improvements made to the end that the park will be a real asset to the community. Since the community has supported the project in such a fine way, it is the desire of the Legion that the property be used for the benefit of the community.

The officials of the legion have contacted business people and others interested and have secured generous donations—sufficient to pay all debts and to start the Legion on the new year without any debt.

The list of those contributing is as follows:

Northwestern Bank, \$25.00; Anderson and Moody, .50; Brown's Cafe, 1.00; Max Norris, 1.00; Frank Norris, 1.00; Glenn's Store, 1.00; Shell Service Station, 2.00; Howard Mast, 5.00; R. A. **How to keep a Champ in Trim!**  

**YES** sir, there's a championship caliber all through that Buick of yours.

It's caliber that calls for mighty little "conditioning"—if the attention it gets adds up to really knowing and understanding care.

For instance, these Fireball cylinders will keep on packing all the wallop they should, if you let us compression-check them in the Buick way. Steering will stay easy and light, tire wear will stay at the minimum, if you keep your wheels lined up on our special tracking gauges.

And when wear does take its incapable toll, we have the parts—Buick-engineered for their job—that restore factory-new standards of performance.

Even our tools are specially designed to do a typical Buick job—and for the personal, interested, specialized attention that tops off genuine Buick care, you simply can't beat the Buick specialists in our shop.

Yes, give your champ real Buick care—Buick know-how, Buick parts, Buick interest in keeping your car at its peak. Costs no more than ordinary attentions—but what a whale of a difference it makes!
