All three national farm organizations also have joined hands in the fight against the charge that the farm price support program is cause for high food prices or the inflationary spiral. Says Allan Kline, president of the American Farm Bureau Federation: "Expanding purchasing power in relation to supply of consumable goods is causing inflation, not price supports." Says the National Farmers Union: "About the only constructive piece of legislation to come out

of the 80th congress was the price support program for agriculture (which) is all that came out of the long and carefully conducted hearings on the Aiken and Hope bills . . . It isn't the answer, but it is a step in the right direction."

The Veterans of Foreign Wars and Amvets in national conventions scored congress for failure to pass low cost rental housing legislation and the Spanish American War Veterans in 50th annual encampment here urged strong national guard-a stockpile of munitions and weaponspeacetime draft-freezing of all commerce, finance, wages and prices in an emergency-curb of communist organizations, elimination of communists in govern ment jobs and prevention of subversive agents entering the Unied States.
