HI SCHOOL NEWS**

The Cove Creek High School opened its 1948-49 session on Monday, September 20 with an enrollment in the high school of 340 and in the elementary school 360. Two additional teachers were allotted after the State Board of Education reduced the per teacher load.

New teachers for the year are Mrs. Joyce S. Davis, Home Economics, Mrs. Pearle F. Horton, Social Studies, Mrs. Pearle Payne Dowling, grammar grades, Miss Ruby Mast, primary, Carl Fidler, physical education and Gene Reese, science. Mrs. R. L. Tait and Mr. George Wilson will teach piano and band respectively.

A course in social relations is being added to the high school curriculum. Physics will be offered as an alternate for chemistry and French will also be offered as an elective.

New laboratory equipment has been purchased for the science department and electrical units

A group of local men installed electric lights over the croquet and tennis courts during the summer. These courts have seen constant use, since we now have an outdoor basket-ball court, croquet ground, tennis court and horseshoes in addition to the softball, baseball and football fields.

Among the members of last year's graduating class to enter college are the following: Jimmy Mast, Betty Shull, Ray Ward, Iva Jean and Raymond Harmon, Appalachian; Wanda Yates, Katherine Jennings, Evelyn Coffey, Reba Calloway and Nolan Church, Lees-McRae; Laura Judy and Dixie Rae Farthing, Woman's College; Joyce Henson, Radford; Eugene Blair, Chapel Hill, John Edward Combs, Benji Farthing, Mack Banner and Robert Danner have joined either the army or navy and several others are employed in Boone.

S. F. Horton has worked during the summer for the State Board of Education in routing school buses. Mr. Horton has surveyed 65 of the 100 counties in North Carolina since 1935 when this work was first started by the State School Commission.

Miss Cynthia L. Stiles spent several weeks of the summer months on an educational tour

Rev. Vance of the Willowdale church and Rev. W. C. Leach of the Valle Crucis church spoke to the student body at the opening exercises on Monday morning. Dave P. Mast, chairman of the local board, also brought a challenge to the school to measure upon everyone the importance of cooperation in making this school year a success.

LOYALTY CHECKS

The Federal Bureau of Investigation has announced that since the start of the Federal loyalty check, it had found 2,110,521 Federal workers so beyond suspicion that full investigations into their loyalty were unnecessary. A total of 6,344 full investigations have been started since the beginning of the program and thus far 5,421 of them, or 86 per cent, have been completed. Of these, 619 resigned during investigations and 44 others were found to be no longer in Government employ. The remaining 4,758 cases were turned over to the Civil Service Commission for decision.

NOTICE
The Riverview school property known as Big Hill will not be sold Monday morning, October 4th, as was previously advertised.

**DO FALL FOODS
CAUSE GAS
ON STOMACH?**

Many sufferers relieve nagging, gassy stomach pains quickly, once they find out about Scalf's Indian River Medicine. Eating and digesting good wholesome food is Nature's way of rebuilding worn out cells and revitalizing the body. Scalf's Indian River Medicine tends to stimulate a keen appetite and aid digestion, giving the stomach little cause for gassy, bloating and smothering gas pressure which causes broken sleep, nervous, irritable, distressful feeling, weakness and a tired and down-and-out feeling when due to organic cause.

Don't wait! Ask your druggist for Scalf's Indian River Medicine, a stomach tonic, used by thousands and thousands for nearly 50 years. For best results take Scalf's daily. On sale at Carolina Pharmacy.
