Feed Potatoes. Soon To Be Available

Fresh Irish potatoes for livestock feed may be available to Watauga county farmers in the near future by the Department of Agriculture through the Commodity Credit Corporation. Farmers and livestock feeders may place their orders now through the local AAA office for surplus potatoes at \$1.00 per cwt., sacked delivered F. O. B. cars North Wilkesboro, N. C. The minimum car will be 300 cwt., which means a carload of potatoes would cost the purchaser \$3.00. The value of the sacks would probably take care of the cost of hauling. Orders for less than carload will be accepted from individual purchasers provided enough orders are assembled for a carload and one of the feeders is designated as consignee. Order forms are available at the local AAAA office which will give further information on the Irish potato purchase plan.
