

Demonstration School News

The March of Dimes was a decided success in the Boone Demonstration School. The children and the teachers worked hard. The sum of \$431.50 was realized. Mrs. Beshar's second grade turned in the largest amount with Mrs. Cottrell's first grade a close second. All of the grades did exceptionally well. No prizes were offered as it was decided that every penny collected should be used for the good cause. This did not keep the children from working and they are to be commended for their unselfish efforts.
