Miss Nannie Rivers opens school at Linville City next Monday.

Mr. Wortman, of the Grandfather gold mines, was in town last week.

Car. Coffey is mining for silver, or some other metal on his land near Boone.

Newton Banner has completed one of the best dwelling houses in the county.

One of our choicest girls, Miss Bina Greene, has been quite ill for some days, but is now improving.

A. J. McBride, Jr., of Cove Creek, dug 64 bushels of Irish potatoes from 1/2 acre of ground.

M. M. Norris, of Sutherland, has gone to Statesville to study law under Major Bingham.

Miss Vickie and Alice Baird, of Valle Crucis, left Wednesday for Lenoir, where they will enter Davenport College.

Married at the residence of, and by W. E. Greene Esq., of Stony Fork, on last Sunday, Mr. Jacob Michael to Miss Cilea C. Lee.

On last Tuesday evening the young people of Boone enjoyed quite a pleasant sociable at the residence of Dr. W. B. Council, given in honor of the highly accomplished Miss Mamie Moore, of Ala., and Dr. Jeff B. Council, of Salisbury. "Beauty, intangible, vague and ill-to-be-defined, and that is mightier than Manosah's son," threw her bewitching charms around the hearts of the young men, while the rarest music, both vocal and instrumental rendered by the talented Misses Council and visitors, made an occasion long to be remembered by those who were in attendance.

The amount per capita to the scholar this year is 87 cents. Very little, if any, above the capita will be allowed to weak districts.

Young Dr. Ronda Hardin left Monday for Charlotte, where he will resume his studies in the North Carolina Medical College.

Robert L. Brown, a Trinity student, after spending two weeks of his vacation with home folks in Boone, left Monday for Durham, where he will take up his second year's course in Trinity.

Dr. Council Boyden, who has been practicing at Valle Crucis during the summer, has returned to Charlotte, where he will enter college his fourth and final year.

Julius C. Blair, of Lenoir, who has just recovered from an attack of fever, is with his parents on New River for a short stay.

We gladly welcome back to Watauga Messrs. Everett and Mack Beach and their families, who have been in the State of Washington for the past three years. They have come to stay,

BETTER STAY

Funeral Director (to aged mourner)—How old are you?
 Aged mourner—I'm 97; be 98 next month.

Funeral Director—Hardly worth going home is it?

If Your Stomach Is Like A Gas Factory!

When you eat a meal and it turns right into gas, it's a sign your food is not digesting quickly enough. It just lays there and ferments. So you are in misery with gas for hours afterward.

Many Boone people used to feel that way before they got CERTA-VIN. This new medicine digests food faster and better. Taken before meals it works with your food. Gas pains go! Inches of bloat vanish! Contains Vitamin B-1 with Iron to give pep and make nerves stronger. Miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN — Boone Drug Store. 1c

and the county is to be congratulated upon having attractions sufficient to induce them to return to their native heath.

Messrs. Ira T. Johnson and Rufus Maltby, who completed the post graduate course at the Training School in Boone last year, enrolled in Wake Forest College at its opening last week. No brighter young men have ever graduated here and their future career will be watched with interest by their many admiring friends.

Mr. W. W. Scott, who for the past twenty years has been holding a position in the Treasury Department at Washington, D. C., spent Monday in town shaking hands with his friends of former days. Mr. Scott was for many years editor of the Lenoir Topic, and his efforts in the newspaper field were highly appreciated by the people of this entire mountain section, and numbers his friends in Watauga by the score.

Sub-District Meet Held at Riverview

Approximately 105 persons attended the last meeting of the Methodist Youth Fellowship Sub-District, which was held at Riverview Sunday.

The program was under the direction of Milton Barden. After a responsive reading, hymn, and a prayer led by Rev. Mr. Kerr, Lawrence Barden gave an interesting account of the week he spent recently at the Youth Convocation at Purdue University. The theme for meditation during the convocation was "Christian Living for Our Time."

A business meeting, with Katherine Clay presiding, was held immediately after the program.

The attendance banner, which is given each month to the church having the largest attendance, went to Little Laurel for the second consecutive time. Nine churches were represented at the meeting.

Delicious refreshments were served in the cafeteria of the Riverview school.

This same program can be heard on a coast to coast hook-up on the 421 Liberty radio stations Saturday night, October 6 at 8 o'clock.

Heard weekly coast to coast over the Liberty Broadcasting System, the show has spent much of its time on the air promoting the Blue Ridge Mountains of Western North Carolina and will continue to do so.
