

# Father's Night Held At Blowing Rock

School Faculty Meets; Note Of Thanks Given; Basketball News; Other News of Grades.

By MRS. LUCILE LETT  
 Father's night was observed at the regular P. T. A. meeting on Tuesday night of last week held in the school's newly re-decorated auditorium. Rev. Thomas Seitz of the Episcopal church asked the invocation to open the meeting.

Minutes of the last meeting were read by the secretary, Mrs. Susan Triplett after which committee reports were heard.

Special attention was made of the Valentine supper, sponsored by the P. T. A., to be held this Thursday night from 6 to 8 o'clock in the school cafeteria. Mrs. James Storie gave the menu and made announcements concerning the donations for this supper, and gave other information regarding this event. It is hoped a great number will be at the supper as the P. T. A. has many important projects in view for the benefit and betterment of the school.

Mrs. Charles Martin, chairman of the membership and hospitality committees, announced that Mrs. Beach's fourth grade had for the second consecutive month won the attendance prize. Mr. Koone's 6th and 7th grades came next in attendance of fathers and grandfathers.

Following these announcements, Mr. Storie, principal, gave a brief address of welcome to new members and visitors and brought the attention of all present to the beautiful new interior of the school auditorium. Mr. Storie also announced that the new stove for the kitchen had been ordered.

List of new Grade mothers for the remainder of the year was read and will be in this news column next week. Mrs. Leona Coffey, program chairman, announced programs for the remaining school months.

At this point, Mr. James Godbolt, District Ranger for the National Park Service in this area gave a short talk as an introduction to a series of colored slides of the Blue Ridge Parkway shown by Mr. Godbolt. These slides were very beautiful and were skillfully narrated by Mr. Godbolt as they were shown.

Following the showing of the slides everyone was invited to the cafeteria where the "proud papas" showed their skill in the art of "K. P. duty" by serving hot dogs with all the trimmings and coffee. They did themselves proud and those wives who do not remember that night and what their husbands are capable of doing are just missing out at home. After the "dogs" and coffee were consumed, sleeves were rolled up, aprons donned, and the "papas" still further showed their skill in washing the dishes and cleaning the kitchen in general.

**Faculty Meets**  
 Mrs. Edmisten, county supervisor, was again guest at the regular weekly faculty meeting on Monday afternoon of last week. She gave another lecture in the series on "The Teaching of Reading." The teachers had earlier in the year voted to have Mrs. Edmisten conduct a unit of study on this topic.

Following other business of the afternoon, Mrs. Charles Brown, music director of the school served delicious and beautifully decorated refreshments to all present. These consisted of heart-shaped sandwiches with red filling, a white tiered cake with red decorations depicting St. Valentine's Day, and hot coffee.

**Bulletin Board**  
 The bulletin board in the lower hall of the school building is typical of the month of February in regards to the great men who were born in this month—Thomas A. Edison, George Washington, and Abraham Lincoln. Small sketches of each of these men

were made and artistically arranged by Mrs. Greene's 7th and 8th grade students.

**Note Of Thanks**  
 The school is indeed grateful to Mr. Don Hatten, Mr. Carlin Hatten, and Mr. Bill Foster for the donation of their time and effort for installing a hot water heater and tank to the furnace for the cafeteria kitchen.

**Boys Play In Tournament**  
 Announcement is made that the boys' basketball team will play that of Claremont school at the Valdese Tournament on Saturday, February 16 at 2:00 p. m.

**Scheduled Games**  
 The following basketball games are listed through February 19: February 15, Blowing Rock and Bethel at Blowing Rock; February 16, Blowing Rock boys and Claremont boys at Valdese; February 10, Blowing Rock and Mountain City at Blowing Rock. All home games are at 7:30 p. m.

**Mrs. Beach's 4th Grade**  
 We have a Dixie Home Store set-up in our room presented to us by Mr. Storie. We have lots of fun playing store.

We have a variety of games in our room now. We have puzzle maps, Arthur cards, a store, reading and arithmetic games. Pat Berryman brought a Polyanna board that we enjoy so much.

We were again the winner of the P. T. A. attendance prize money. We had nine fathers and two grandfathers attending. We want to thank our parents and grandparents for their interest and cooperation in attending these meetings. We plan to buy supplementary readers with the money we have won and the money we made selling seeds. We need these books very badly.

Our room was full of excitement on Tuesday morning of last week when Mr. Coffey came to our room and told Burris that he had a new baby brother weighing 8 pounds. Burris is very proud of this little brother. He named him Douglas Bruce.

We had two little visitors on Thursday afternoon—Carolyn Miller and Doris Coffey.

**Mrs. Yoder's 1st Grade**  
 Last Tuesday afternoon we gave our assembly program. Many of us had never appeared before such a large audience before. Ina Luttrell acted as Master of Ceremonies. After a poem of welcome by Linda Dula, the class repeated the 23rd Psalm and a short prayer.

Our program consisted of songs, poems, and dances that we had learned during our unit of winter and weather. Those having individual parts were Billie Foster, who was dressed as a snowman, David Cannon, Richard Coffey, Linda Hollifield, Diann Hodges, Jessie Coffey, Bill Teague, Barbara Parker, and Diann Greene.

The program ended with a puppet show "Hansel and Gretel."

We have decorated the large bulletin board in our room with Valentines, and pictures of George Washington, and Abraham Lincoln.

**Mrs. Whitener's 1st Grade**  
 Mr. Greer of the Dixie Home store in Boone sent us a Dixie Home play store and we have such a good time playing store and learning to make change. We take turns being the manager. One day we wrote letters thanking Mr. Greer for our gift. Edith Story wrote the nicest letter so it was mailed to him.

Last week we had an orange party. The oranges were given to us by one of our grade mothers. After our party we asked Donna Stone to thank her mother for being so kind to us.

This week is Valentine and we can hardly wait to see and get all the Valentines in our pretty box.
