

Valle Crucis School Kiddies To Broadcast

News of the Week at the Valle Crucis School.

Mrs. Taylor's Second Grade

We are going to Boone to give a program over the radio. Our program is a little play, songs, poems, and speeches we have learned this year. We can hardly wait to take this trip and have this nice experience. We want to go by the Hillside Dairy to see how ice cream is made and to get some to eat. We would like to see the fire truck, too.

Mrs. Swift's Third and Fourth Grades

The following children have been on our Reading Honor Roll for the past two weeks: Katy Sue Bentley, Sheila Triplett, John Cooke, Joe Ford, Jerry Welch, Brownie Dyer, Patsy Calloway, Carolyn Presnell, Charles Lawrence, Linda Earp, Tom Ellis, Tom Fox, Elmer Aldridge, Shirley Matheson, Dean Church, Jennie Fox, Laura Milton Church, Dora Lee Moore, and Joyce Shook.

We have had several cases of influenza in our room; however, our attendance is beginning to improve.

We are proud to claim the Lion's Club Queen of Valle Crucis School, Joyce Shook, as a member of our third grade section.

Mrs. Campbell's Fourth Grade

We have started a unit about Springtime. We have noticed signs of Spring. We have seen several birds that have returned from the South. On February 29 we saw some robins on our playground. We saw a flock of red-winged blackbirds March 5. Carol Jean saw a redbird on Thursday, March 6. Some of the children have seen bluebirds. On March 7, James saw a yellow bird. Dayton showed us a flock of wild ducks on March 17. Nine of the boys built bird houses. We will paint the houses next week.

Some of the children have made garden plans.

We had fun composing a song, "Springtime Is Coming." We sing it to the tune of "Pop Goes the Weasel." Our song has eight verses.

Fifteen children from our class have joined the Junior Audubon Club. When we get our leaflets, badges, and certificates, we will plan programs, field trips, and picnics, too.

Mrs. Church's Sixth Grade

During the pretty days which we have been having, our boys and girls have been practicing up on their softball. A little later we hope to play some real games.

We have three students who haven't missed a day this year. They are Billy Welch, Carolyn Townsend, and Lillie Mae Berry. Others who have missed only one to three days due to flu and mea-

les are Cecil Aldridge, J. B. Townsend, Rachel Baird, Shirley Baird, Faye Corneli, Margie Ford, Nona Greene, Velma McGuire, Catherine Taylor, Phyllis Townsend, Dave Wallace, and Louise Ward.

Mr. Triplett's Seventh Grade

Since our siege of flu and measles we have only two children in our grade who have perfect attendance. These are Paul-etta Isaacs and Margaret Townsend.

At our chapel recently we presented a play, "A Bunch of Keys." The characters were Betty Storie, Bobby Teams, Jimmy Fox, Doyle James, Mary Hollars, and Paul-etta Isaacs.

The Lions Club Queen nominated from our room for the talent show is Betty Grey Storie. We have her picture in an evening dress, pasted on top of a box into which we drop our money for voting. We keep the box on our teacher's desk.

The school nurses this month are seventh grade girls, Kay Triplett and Helen Wallace. It is their duty to look after the cots, to keep them made up and clean.

We are busy now with a unit on "America's Resources," and how they have been used to make America great.

4-H Club

The Valle Crucis 4-H Club met February 29 in the school auditorium. The following took part on the program: Helen Wallace, Betty Storie, Mary Hollars, Denver Townsend, Bobby Teams, Burl Townsend, Betty Sue Fox, Pauletta Isaacs, Louise Ward, Kay Triplett and Lee Earp. After the program we had slides on gardening. Mr. Phillips of Raleigh visited us. He talked about 4-H work.

Farm crops, as set by the Agriculture Department for this year, are six per cent higher than the 1951 record mark and will require the planting of 6,500,000 more acres.

"I'm Going Steady with a Telephone Job"

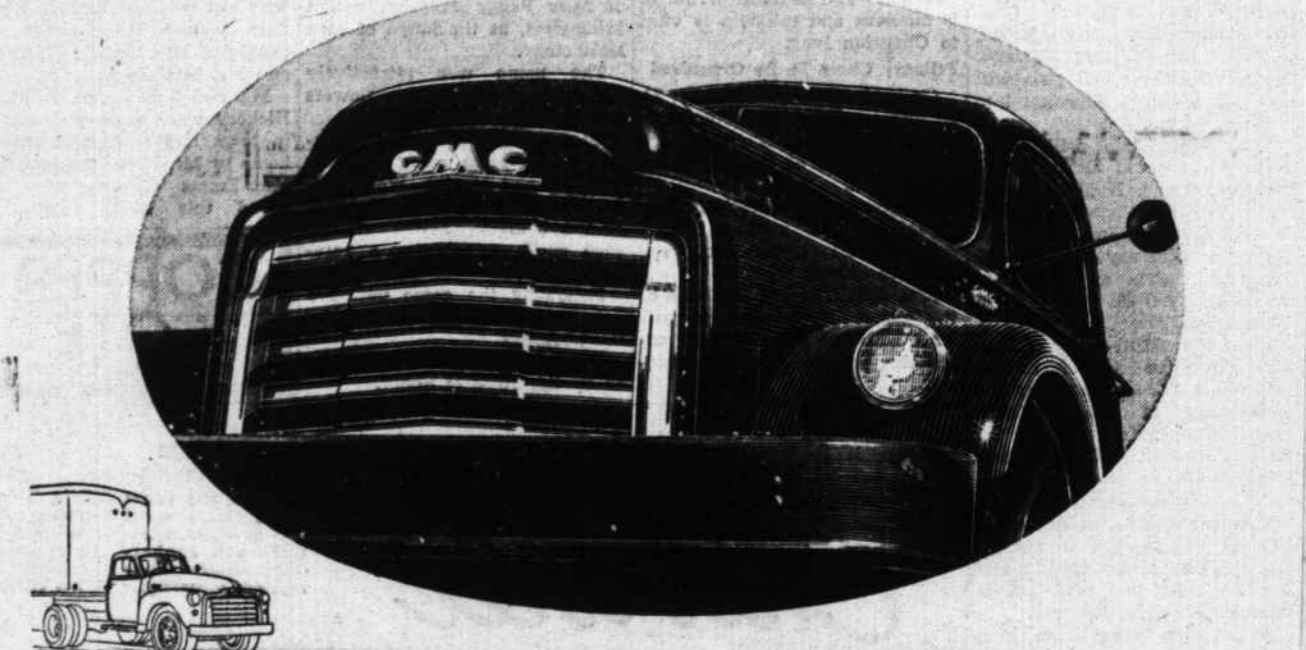

THIS IS Christine Rainey. She's a Southern Bell telephone operator—the "Voice with a Smile" who helps speed your voice on its way with service that's fast, clear and friendly.

IT'S NO ACCIDENT that fine people like Christine are attracted to the Telephone Company. She likes the people she works with. The wages are good—and are increased at scheduled intervals. The job is year-round and steady. There are good opportunities for getting ahead. She likes the safe and pleasant working quarters . . . the Pension and Sickness Benefit Plans that rate among the best.

YOU SEE the results in the performance of Telephone Folks every day. You see it in ever-growing skill, experience and teamwork . . . in ever-improving service for all who use the telephone.

FRIENDLY SERVICE is the natural habit of Southern Bell operators, encouraged by good training and supervision.
SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

OVER THE ROAD or OVER THE ROUGH

-you can't beat a GMC!

KNOW why, more and more, GMC's are becoming first choice of so many cost-watching truck operators in every type of hauling?

One of the big reasons, they will tell you, is they can always get a GMC that's exactly "engined" for their particular kind of work.

There is no need for a GMC owner to strain away with an underpowered truck — or lose profit to a gas eater unsuited to its job.

That's because GMC builds the widest range of truck engines in the industry—valve-in-head gas engines from 100 to 200 H.P.—exclusive 2-cycle Diesels from 110 to 225 H.P.

And it's the kind of power you don't have to pamper!

Each GMC engine is specially lubricated against wear, specially ventilated against acid-forming fumes even when idling — specially designed for truck duty!

Why not let us recommend the GMC truck, tractor or six-wheeler perfectly powered for your job? It will be a real truck all the way—exactly the right combination of engine, axle, transmission and frame blended by the world's largest exclusive manufacturer of commercial vehicles!

Get a real truck!
