

March of Dimes Drive Pushed At Local School

The March of Dimes is somewhat behind last year's record but many have worked very hard. A complete report of the March of Dimes will be given next week.

Miss Davis' Second Grade

Eugenia Miller from North Bend, Oregon enrolled in our second grade on January 12.

Several of us heard Gay Kirchner, Robert Matheson and Edward Brown play the piano over the radio Saturday, January 17.

Jimmy Cottrell's father invited us to the A. S. T. C. Book Store to see the inaugural parade on TV. After the parade Carolyn Hoover's mother served ice cream and cookies to our room.

Miss Horne, one of our teachers, has been out with flu this week. Jimmy Cottrell brought cookies for our room Wednesday.

Kenny Mezzaferro's mother gave him a birthday party in our room Friday, January 31. She served us cake, a drink, and valentine candy.

Mrs. Crawford's Third Grade

The third grade is studying North Carolina. We have made a large mural about seven yards long. On this we have a map of North Carolina. On one side are "Things We Know." On the other side we have "Things We Made." We made a large flag and someone made dogwood blossoms. Our state bird, the Cardinal, is in the center of the map. We have notebooks with many topics of interest in them.

In spelling we have four ships racing across the Atlantic. We left New York on January 28. Each day we go so many knots.

Many people went visiting last week end. Floyd Dotson visited his grandmother, Larry Gragg went to Winston-Salem. Tommy Greene visited with his uncle, Frank Greene. Frances Hampton visited her cousins at Sands.

Mr. Cuttis' Fifth Grade

At the close of last week the girls were leading the boys in the March of Dimes contest, \$10.92 to \$9.92, making a total of \$20.84 raised by the class.

Each morning members of the class bring in news clippings and pictures, which are first read and discussed by the class and then arranged on the bulletin board by a news committee. Members of the news committee for the past week were John Ralph Buchanan and Robert Gragg.

The boys seem to have a slight edge in the personal cleanliness drive, but the girls also have a fine record. Inspections are conducted each morning by the cleanliness captains, Barbara Edwards, Raymond Fletcher, and Bobby Agle. The clean-up committee has been doing a good job during the past week. The members included Ruth Johnson, Margaret Dyer and Carl Benson. Irene Carroll and William Baird were in charge of the blackboards last week. Mr. Cuttis thanked them for their good work. Lunchroom captains for

the past week were Judy Snyder and Charlene Trivette.

Richard Chase, the author, visited the class last week. They learned to sing "The Swapping Song" with him, and he told the tale about Jack clearing the new ground and killing the giant. Later the class painted pictures of scenes from the story as they imagined they would look.

Miss Walker's Sixth Grade

Miss Ruby Holland from Marion, North Carolina and Miss Sally Kivett from Asheboro, North Carolina are our student teachers this quarter.

Miss Kivett was chosen "Miss Representative Student Teacher" this past week. She was one of the top six elected by the college students. After interviews by faculty and student committees, she was chosen along with Mr. Bill Whitesides as "Mr. Representative Student Teacher." The Future Teachers of America Club sponsors this selection on the campus and the winners will be presented at the state NCEA convention in Asheville in March.

Friday Miss Walker showed colored slides of Egypt and the Holy land to the children of Miss Goodman's and Miss Gibbs' fourth grades.

The Library

Miss Pharr, our librarian, attended the Safety Education Workshop for Watauga County Teachers at the administration building on Wednesday and Thursday afternoons.

Miss Mary Ruth Yow is the student teacher in the library for the remainder of this quarter.

VFW Auxiliary Meets State Quota

The Ladies' Auxiliary to Watauga Mountaineer Post 7031 VFW met Thursday night, January 22 and decided to send \$16.00 to the North Carolina Cottage Fund, which will help finance the building of the North Carolina cottage at the VFW National Home, Easton Rapids, Mich. This is a home for widows and orphans of deceased VFW members.

A letter of appreciation was read from the first grade children of Green Valley School, for the party given them by the Auxiliary on January 16.

The local auxiliary was the first in the 15th district to reach its membership quota when one above the quota was signed up on December 23. The auxiliary will receive an award for this achievement when District President Mrs. Johnnie McNeil visits on February 26. Only three auxiliaries in the state reached their membership quota by December 31, two of them, Boone and North Wilkesboro, being in the 15th district.

All members are urged to attend the February 12 meeting.
