GOD'S MASTERPIECE?

The rose comes very close to man's standard of perfection. Its delicate beauty seems to mock every effort of the artist or camera to capture it.

But is the rose really God's masterpiece? Hardly! For its beauty is passive. It brightens life only for those who seek it out and gaze upon it. And in but a few days it withers and is ugly.

God's masterpiece is MAN. For with all his waywardness and selfishness, Man is capable of reflecting the love of God. When he lets God touch his life he is able to bring happiness and faith to others. He doesn't have to wait until he is noticed. He can actively bring spiritual blessings to his fellow men.

As the gardener cultivates the rose, the Church cultivates the lives of men. Always it strives to help us become all that God wants us to be.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
