Mr. Richard Chace, American folklorist and collector of the Grandfather Tales will be chairman of the institute and leader of the party.

Under the sponsorship of the Lewis-McRae College, this first meeting of leaders interested in folk arts and folk games, the singing of old hymns and old songs, the preserving of mountain crafts (weaving, carving, plaiting, braiding, crocheting, and knitting), is hoped to be the first step in a program moving towards a mountain folk festival for our region.

In the preliminary planning, Mrs. Fletcher Nelson, chairman of the planning committee, announced that a portion of the program for the evening would be devoted to organization.

The A. C. Chaffee Center, under construction on the college campus, provides ample space for keeping samples of the mountain crafts as well as providing safe

QUITE A MISTAKE
Kansas City, Mo.—W. C. Boosman lost his pet pointer dog, Queenie and advertised in the newspaper for her, offering \$15 to her finder. By mistake, the ad stated the reward to be \$1,500. Boosman received a flood of replies to his ad—more than 500 dogs, brought by scores of people. He didn't have to pay even \$15, however, because he found Queenie himself.
