

Memorial Day Event Sponsored By Vets

A Memorial Day service honoring Watauga County war dead and Gold Star mothers of three wars will be held at 2 p. m. Sunday, May 30, in the Daniel Boone (Horn in the West) Theatre, conducted jointly by the Veterans of Foreign Wars and the American Legion.

An honor guard will be formed on stage, and the principal address will be delivered by the Rev. L. H. Hollingsworth, pastor of the Boone Baptist Church. Representatives of the VFW and the Legion will make brief speeches of welcome.

A salute will be fired by a firing squad of the VFW, and the colors and color guard will be furnished by the Boone, Blowing Rock, and Deep Gap American Legion posts.

Following is a list of Gold Star mothers of soldiers who were killed in action or died in services during World Wars I, II, and the Korean War, compiled by Lionel Ward, Watauga County Veterans' Service Officer, who urges that if the list is incomplete, any mother who lost a son in either of the three wars, and whose name does not appear on the list, please notify him at once, as it is desired to read a complete list of the Gold Star mothers and the war dead at the service. He asks that the given name of the mother be given in each case.

"Peter Rabbit" Is Dramatized

An operetta, "Peter Rabbit" was presented by the primary grade children of Watauga Consolidated School, on May 13, in the Appalachian High School auditorium. Twenty-six children sang, danced and dramatized the story of "Peter Rabbit" and his adventures in Mr. McGregor's garden.

The student body and faculty of Appalachian Demonstration School, and members of the Worthwhile Woman's Club, were special guests attending the afternoon performance.

The operetta was presented again on May 14 at 8 p. m., at the Watauga Consolidated School, to parents and friends of the performers.

Mrs. Marjorie B. Lowery, teacher, directed the operetta, and was assisted in making the costumes by Miss Helen Wall, teacher, and members of the Worthwhile Woman's club.

Music was in charge of Mrs. A. E. South.

P. O. Closed

Lift has become so dull in Dull Center, Wyo., they're doing away with the post office.

The United States Post Office Department said it will close the office March 15. The eight families in Dull Center will get their mail in the future from Bill, Wyo., 35 miles away.

About Your Home

Woodworking is a favorite hob-by from coast to coast. A work-shop in the home, fitted with va-rious kinds of tools, is becoming almost as common as the long popular den. Woodwork is being taught in most high schools and is an outstanding hit with boys and even a good number of young girls.

There are any number of pub-lications and books packed with ideas, tips and directions. Pat-terns are the latest thing on the market. The idea for these pat-terns came from the tissue-paper patterns used in dress-making. They are tremendously popular because of the simplicity of di-rections issued with each one. The patterns and directions are said to be virtually foolproof, even for beginners.

Working with a pattern helps the worker to proceed without wasted time, material or effort. The pattern-line includes such items as several stylishly differ-ent types of balance to fit any window, lawn furniture, coffee tables and card tables several easy-to-build chairs and many more advanced projects. Beginners are advised to get the

feel of tools by making a few simple things before trying the more complicated projects. For those who are ready for extensive home craftsmanship, power tools, such as an electric hand drill, electric jig saw, table saw, band saw and drill press are recom-mended, in that order.
