only Plymouth dares compare!

now...part-by-part proof that Plymouth is America's "bost-buy" low-price car!

No other low-price car would dare make a comparison like this: Plymouth engineers actually dismantled the three bestknown low-price cars and compared them, part by part! Their findings, a few of which we've listed below, prove conclusively that Plymouth is far-and-away your "best buy" in the lowest-price field.

Here's Just some of the overwhelming proof that Plymouth is "best buy"!

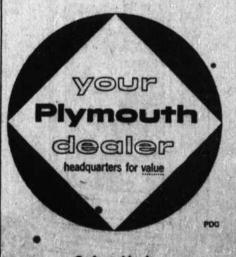

Comfort Level Seating oth front and rear Plymouth seats are highest. lymouth research found this more natural seating osition gives greater posture protection and comfort.

Plymouth engineers provide two hydraulic brake cyl-inders in each front wheel to ensure smooth, straight-line stops without "grabbing." The "other two" have only one brake cylinder in each front wheel. Spark Plugs

Front Wheel Brakes

Because they last up to five times longer before re-setting is necessary, Plymouth uses resistor-type sperk plugs. This type plug also produces smoother idling, better gas economy at low speeds. Oll Bath Air Cleaner An oil bath air cleaner can reduce engine wear as much as 90%. This unit is standard equipment on all Plymouth models; it is available only at extra cost on the other two low-price cars.

And deseas of <u>other</u> part-by-part comparisons prove Plymouth is year "best bay"! See us today . . . and get the <u>facts!</u>
