

Happenings Of Week In Blowing Rock Area

By MRS. LUCILE LETT

Mrs. Clarence Cooke, daughter of Mrs. Paul Klutz of Blowing Rock, was honored with the title "Mother of the Year" at a recent piano recital of Ruth De Luca's students at the Women's Club in Sarasota, Florida. In presenting Mrs. Cooke with an orchid, Mrs. De Luca stated that the real stars of the evening were the mothers in the audience.

At the end of the musical program, certificates and honors won in the recent Federated Music Club's Festival were presented. Maria De Luca, district winner, received four consecutive superiors in piano concerto events and a total of 13 superior ratings in various divisions of piano and violin. Penny Cooke, daughter of the honoree, received the gold national honor certificate for three consecutive superiors in piano solo. Good News Club

The Good News Club of Blowing Rock began the annual summer meetings on Tuesday, June 14, at 10:30 a. m. in the Sunday School building of the Presbyterian church. This club has been running for many years, being instituted by Mrs. Joe Cannon, a summer resident of Blowing Rock. It is entirely non-denominational and embraces all children, local and visiting, of school age. Mrs. Cannon brings the Bible message each meeting, giving a bird's eye view of the Bible, and these stories are illustrated on the Sceno-O-Felt Board and are in color. Adults are most cordially invited to attend and learn more of the Bible through these lessons.

Assisting Mrs. Cannon will be Mrs. Wade Klutz, Mrs. Kenneth Forbes, and pianist Miss Barbara Coffey.

A song session begins at ten o'clock and everyone is urged to attend. Square Dances

Max Robbins of Boone and his Country Gentlemen have begun a series of square dances on the open air pavilion on City Park and will continue each Friday night throughout the summer months.

Any type music the public desires is played by this group—hillbilly, popular, classical, ballads, spirituals, waltz, fox trot, jitter-

Women Ponder Market Plans

Curb market plans have been occupying the time of Watauga County home demonstration women lately.

Rose Ellwood Bryan, State College extension specialist in marketing, was in the county recently to discuss the plans for opening the market.

Club women who participated in this special curb market session were Mrs. Stewart Barnes of Howards Creek market secretary; Mrs. E. Albert Norris of Fairview; Mrs. B. A. Hodges, Mrs. Howard Carlson, Mrs. Don Hodges and Mrs. A. E. Vannoy of Hodges Gap; and Mrs. Gardner Matheson of Sugar Grove.

Revised Sellers Rules The group discussed and revised rules for all market sellers. They also made out an operating budget for the market season and voted to buy special stamped bags for market produce. Miss Bryan emphasized to the market sellers the importance of good packaging.

New market vice chairman is Mrs. B. A. Hodges, Mrs. A. E. Morets will stay in office as chairman for another year.

Workshop Planned These curb market sellers know that there is a lot to be done in getting themselves—and their market—ready for the summer season and so they've planned a series of workshops for cleaning up and getting things in order.

Mrs. Howard Carlson and Mrs. Don Hodges are now working on a county label for all canned products sold on the market.

As yet the sellers haven't decided on the exact opening date or the exact selling hours. However, the market will be open each Tuesday and Friday as in previous years.

The Watauga market, like other mountain curb markets, is a summer one. Some of the best customers are summer residents who find that the fresh, home-grown foods of the club women are the best they can find around. The curb market women have made a real name for themselves, and that is quality.

On the exact opening date or the exact selling hours. However, the market will be open each Tuesday and Friday as in previous years.

Many Accidents In Daytime Hours

It was broad, open daylight when 416 of North Carolina's fatal motor crashes occurred last year. And, oddly enough, reports the Motor Vehicles Department, after-dark fatal accidents totaled exactly the same—416. Twenty-six occurred at dusk and 20 at dawn. Light or dark was not stated on two of the fatal wreck reports. In all there were 880 death dealing crashes in the state which contributed to the year's fatality toll of 991.

In the past five years, use of corncoats in industry has increased 60 per cent.

High time you discovered the difference in Dodge!

Next time you're driving around town, just notice the number of gleaming new Dodge cars you see on the street! Then ask yourself: "What is it these people have found out about the new Dodge that's causing this landslide of popular favor?" Part of it, of course, is the new Dodge styling. You can see at a glance how much bigger and more luxurious this car is—up to 9 inches longer than its competitors. But the real story behind the rush to Dodge is this: People are discovering the difference in the way Dodge cars are engineered and built! They discover it in the solid, substantial feel of the car—the way it handles and rides. They learn to appreciate it in the deep-down goodness of every part and feature: Doors that don't rattle. Body joints that don't squeak. Windows that work smoothly. There is really no substitute for the dependability that is built into Dodge. Isn't it time you discovered this difference for yourself?

NEW DODGE Flashing Ahead in '55

Your Dodge dealer brings you the NATIONAL OPEN GOLF TOURNAMENT on television (NBC-TV) Saturday evening, June 18. Consult your newspaper for time.
