Zionville News

Mr. and Mrs. Alvin Carlton and son of Patterson, Mr. and Mrs. James Greer and daughters of Charlotte spent Sunday with Mrs. Charles Lewis.
Mr. and Mrs. Earl Miller and Mrs. A. L. Miller spent the week end in Charlotte with Mr. and Mrs. Earl Reese. Mrs. A. L. Miller is spending this week with Mr. and Mrs. Reese.
Mr. and Mrs. W. K. Wilson of Boone were supper guests Sunday with Mr. and Mrs. W. A. Stephens. The Wilsons and Stephens visited in the afternoon with Mr. and Mrs. E. N. Norris at Bethel.
Mrs. Clayton South of Lenoir visited last week with her parents, Mr. and Mrs. Clay Pennell.

U. S. wool production in 1956 is not likely to be greatly different from last year.

Alderman To Hold Meeting

REV. C. W. ALDERMAN

The Rev. C. W. Alderman will begin a series of revival services in the Pentecostal Mission at 408 Water Street in Boone, April 16, Monday night. He is pastor of the Hendersonville Pentecostal Holiness Church of Hendersonville. A Christian for twenty-five years, this man of God has been preaching the gospel for twenty-two years.
Special singers are expected for all of these services, including groups from North Wilkesboro, Elkin, Stony Fork, and Todd. The services will begin at 7:00 p. m. each evening. Everyone is welcome regardless of denomination or belief.

Tomatoes Good Garden Crop

All Summer gardens include a few tomato plants. They are easy to grow and you always have fresh tomatoes for family use if you plant even as few as ten plants.
This year you might like to give your tomato plants more than a fighting chance by planning ahead of time. Fertilize and till the soil and put in the stakes before the plants. This will prevent any chance of disturbing the roots or packing the soil. It is best to use outdoor-grown, hardened plants.
Put most of the long stem underground since roots will develop all along it. It goes horizontally in a 3 way deep trench, in-line with the row of stakes. This way the roots aren't in danger when the tiller goes down the rows.
As soon as the plants get a good start, begin to mulch. Grass clippings from the lawn are very good. First scratch dry fertilizer into the soil. When plants reach the height of eight to ten inches they should be tied loosely to the stakes.
Suckers will develop in all crotches between leaf branches and main stem. These are removed by snapping out with thumb and finger. If left to grow, they would make the plants too heavy. Be sure you don't prune out the leader by mistake.
Plants will keep growing up to a height of six to eight feet. If your plants are well mulched, you need not worry about watering. It is a good idea to plant two varieties, one for early eating and another for the main season.

Cove Creek High School

The senior class of Cove Creek High School will present the senior play Thursday, April 12, at 1:00 p. m. and 8:00 p. m., and again on Friday, April 13, at 8:00 p. m. The title of the play is "Just Ducky", a three-act comedy by Donald Payton. Admission is 25 and 50 cents. The public is invited. Science Students

Science students at Cove Creek High School have been working on projects related to their regular classroom work this year. These projects were exhibited at a local Science Fair held in March at our school. The winners in the local fair entered their projects in the Northwestern District Science Fair held at Appalachian State Teachers College in Boone on April 6.

Winners in the Biological Division were Carolyn Brown, first place, and Rachel Baird, third place. In the physiological division third place went to Eddie Greene and fourth place to Alfred Bingham. Winners of the essay contest were announced at the science fair luncheon. Rachel Baird was second place winner in the ornithology division.

These winning projects will be entered in the state science fair to be held at Chapel Hill on April 20 and 21. Mrs. Josephine Bingham, science teacher, will accompany these students to the state science fair.

Junior-Senior Banquet
The Junior class of Cove Creek High School honored the members of the senior class at a banquet in the high school cafeteria on Saturday evening, April 7 at 7:30 o'clock.

A garden setting was used with rainbow theme carried out in decorations, food, and program. Johnny Reeves of the junior class acted as master of ceremonies and extended the welcome to the seniors and other guests, including faculty members and their wives and husbands; County Superintendent of Schools Guy Angell and Mrs. Angell; Mrs. Howard Edmisten, County Supervisor, and Mr. Edmisten; local school board members and their wives and husbands.

The dinner was prepared and served by the lunchroom workers and sophomore girls. The menu consisted of:

Gathered dew drops, fruit juices; strutting bird, turkey; milky way, lima beans and corn; pot of gold, sweet potatoes in orange half; fleecy clouds and star dust, hot fudge and butter; mist and showers, iced tea; rainbow and flowers, ice cream and cake.

The toast to the seniors was given by Frank Yates, president of the junior class, and the response by Betty Sue Younce from the senior class.

Martha Payne gave the toast to the faculty and Principal John H. Bingham responded. The final toast was to the school by Evangeline Shull with the response by Dave P. Mast, member of the local school board.

A junior girls' chorus sang "Somewhere Over The Rainbow" and a group of waitresses wearing dresses of rainbow colors and carrying matching umbrellas sang and stepped to the tune of "Singing In The Rain."

Junior girls sang and then led the entire group in singing "I'm Always Chasing Rainbows" and

Workshop Is Held At Cove Creek

Seventy-one 4-H club members met at the Cove Creek Elementary School auditorium Thursday morning, April 6, at 9:30 o'clock for an all day electrical workshop.

The program began with the 4-H pledge, led by Mrs. Catherine Palmer, assistant home agent. Carl Fiddler, principal of Cove Creek Elementary School, welcomed the members to the school. C. E. Vivrette, general manager of Blue Ridge Electric Membership Corporation, gave the welcome to the workshop.

Charles Overman, agricultural engineer of the Blue Ridge Electric Corporation, talked on "Why Have an Electric Workshop. A movie,

"Principles of Electricity," was shown and discussed.
The group was divided into two groups. One worked on lamp-making and simple repairs; the other worked on motor cleaning and simple repairs.

After lunch the group saw a lighting demonstration by Mrs. Palmer, and a wiring demonstration by Hugh Tilton, electrification advisor of French Broad Electric Membership Corporation.
Each school in the county was represented by 4-H club members.

Foreign Minister Pineau has announced that France would recognize Tunisia as an independent nation.

Prolific

For Farmers Who Demand The Very Best In Fertilizers

NOTICE

Beginning Monday, April 23, the price of hair cuts in Boone will advance from the present price of 75c to

\$1.00

FOR ADULTS

And from the present price of 50c to

65c

FOR CHILDREN UNDER 12 YEARS OF AGE

The steady increase of operational costs, as well as living expenses, since our last advance in prices, which was around five years ago, has made this advance necessary.

We sincerely hope our customers will understand our situation, and we guarantee we will serve you to the best of our ability.

We would appreciate it very much if parents, when possible, would bring or send children in for work the first part of the week. Thank you for this cooperation.

BUT HOW MUCH INSURANCE SHOULD I CARRY?

Good question! No need to be foolish, yet you want to be on the safe side.

That's where you need the advice of an expert. That's why so many people rely on their independent insurance agent.

U. S. wool production in 1956 is not likely to be greatly different from last year.

THERE ARE **two** TIMES WHEN YOU NEED GOOD INSURANCE ADVICE

- 1.—When you purchase protection
- 2.—When you have a claim

Coe Insurance Agency

217 MAIN ST. BOONE, N. C.

GOING HOME

You've heard of heredity and environment. You know that the latter usually exercises the stronger influence upon the development of a child.

Then you are face to face with the dilemma of the Church.

The Church can give to every child who comes within its influence the heritage of the Christian faith. It can teach him the truth about God; it can show him the Christian way of life.

But what happens when a child goes home? Will the lesson "stay learned?" Or will it be destroyed by language, attitude and example contrary to all the Church has taught?

It isn't enough to send your child to church school. Become a church-going family! Let Christian truth mold the life of your home and it will mold the life of your child.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a powerhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Leviticus	19	11-18
Monday	Numbers	6	22-27
Tuesday	Deuteronomy	6	2-9
Wednesday	Joshua	1	5-9
Thursday	Ruth	1	11-18
