

Valle Crucis School Happenings Of Week

We are very proud of the students who participated in the spelling contest. Anita Edmisten from the seventh grade was the school champion. The others did a splendid job of spelling, also they were Carolyn Church, Mildred Reese, Charles Church, and Patsy Fox from the fourth grade rooms. Evelyn Edmisten and Anna Mae Matheson from the fifth grade, Ann Welch and Betty Jo Hicks from the sixth grade, Anita Edmisten and Judy Brown from the seventh grade, and Milton Church and Julia Aldridge from the eighth grade.

Lunch Room Worker III
Mrs. Hazel Macauley, one of our lunch room workers, has been ill in Watauga Hospital. Mrs. Coy Love has been substituting for her.

PTA Program
Mr. Triplett's eighth grade class was in charge of the last PTA program. The theme was "Everybody's Business." It concerned "Litterbugs", "Sloppy Joe's", "Let George Do It", and other unbecoming traits hindering good citizenship. The eighth graders gave some good ideas on how to be the best of citizens in various communities. Two vocal numbers completed the program.

The nominating committee submitted the following officers for the next year: Mrs. Moberly Brine, president; Mr. Tom Cook, vice-president; Mrs. Grace Campbell, secretary; Mrs. Herbert Aldridge, treasurer.

Mrs. Maxie Edmisten's First Grade
We had our Easter party Thursday. We colored eggs. Mrs. Robert Greene, one of our grade mothers, came to our party and brought some good cookies. Other visitors to our party were Richard Mast, Sharon Shores, and Wilma Barlow.

Mrs. Bingham's 1st and 2nd Grades
We enjoyed our Easter party. Several mothers sent cookies and other things to help out with the party. After the party we enjoyed hunting Easter eggs on the front lawn.

Several in our room have not missed a day this month.

Mrs. Michael's Fifth Grade
One day the fifth grade came in and found some new and strange words on the board. To our surprise certain students were asked if they were lost in reminiscences, or if they would like to spend a few minutes to reminisce. As students, we answered that we didn't know, since we didn't have any idea what we would be doing. One person looked the word up in the dictionary and told the class that the word referred to the remembrance of past things. When we found out that such a big word was as simple as that, we knew we all could reminisce. What a good time we had for several minutes: 1-The time in early fall when it rained and rained, the river was high in its banks, and some of the boys found small turtles which had been washed out on land. Then to their surprise they found one of their grandfather's feed buckets that had been washed away, also a doll that had washed from their sister's playhouse.

2. One morning we came to school to find a window light broken.

One of the pieces of glass was exactly the shape of a scout knife.

3. We remember getting ready for the Halloween Carnival and so many funny things about that night!

4. Then there was the unfortunate day one of our boys slipped while getting a ball and fell right into the creek.

5. Of course we remember the construction of the new building and how our lessons were stopped while we talked about the work the men were doing. Some in the class wanted to do one kind of work and some another. Well do we remember that no one wanted to be a window-washer and have to clean so much glass space!

6. Finally the great day of our lives: moving day. As part of the grades moves to the brick building, we cleaned and painted their rooms, and the three teachers moved from the wooden building into the rock one. How proud we were of our new, clean room. Moving was a cooperative job. Each child "picked up his seat and walked." We had fun, but when it was over we were glad to sit down and rest.

7. We must not leave out the Buck Brothers' Magic Show, very simple, but "loads and loads" of fun! We could never take time and space to tell you all the things we talked about the day we reminisced, but we cannot stop without telling about February 14. We never dreamed such a party was in store for us when we were taken to the auditorium for a spelling review. When we came back to the room, one of our grade mothers, Mrs. Josie Baird, had prepared a lovely party for us. The decorations and refreshments were fixed in banquet style. The color scheme was in red and white. We were given a lesson in formal party manners. Some of us have older brothers and sisters in high school, and we had heard them talk about the junior-senior banquet, so we told the class about the things they did at their parties. We were glad to have a party like that because we knew it would help us when we are a few years older. We discovered something new, re-

miniscing is fun! Why don't you try it some time? Oh, yes, we just remembered, our best citizens for February were Larry Tester and Evelyn Edmisten. Our best citizens for March were Landon Townsend and Evelyn Edmisten.

Community News
Mr. and Mrs. W. W. Mast, Mrs. Allie Shull, and Mrs. Anne Leake have returned home after spending several weeks in Florida.

Mr. Arlie Hodges has been ill at Watauga Hospital, but is improving.

Mr. and Mrs. Dexter Byrd recently spent the week end with Mr. Byrd's parents, Mr. and Mrs. Jim Byrd. Mr. Byrd teaches in the Pine Mountain School in Kentucky and Mrs. Byrd is a nurse in Berea College Hospital in Kentucky.

Mr. Wheeler Farthing, Mr. and Mrs. Glenn Farthing and family of Greensboro visited Sunday and Monday with relatives and friends.

Mr. and Mrs. Castle Page and son Jimmy of Christiansburg, Va., were Easter visitors with Mr. and Mrs. Tom Taylor.

Miss Wilhelmina Shull of Gastonia was a week end visitor with her mother, Mrs. Allie Shull.

Watauga Hospital

Patient list from April 2-8:
Master Randy Carl Yates, Mrs. Lean Mae Fitch, Earl C. Norris, Mrs. Edith Viole Hendrix, Miss Doris Jane Barr, Arlie B. Hodges, Kent Tracy Greer, Mrs. Claire Beatrice Perry, Roy Sarvis, Miss Carolyn Long, Master Dwayne Triplett, Mrs. Wilma Dacus, Miss Joyce Ann Littleton, Miss Pansy Lee Dennis, Gerald Dean Sudderth, Mrs. Estelle Helen Parlier, Lewis A. Craig, James Grady Graham, Mrs. Lucille Hughes, Miss Mary Pearl Hollars, Kenneth McGhee, Miss Frances Watson.

Births:
Mr. and Mrs. Bobby Goss, boy, April 2.
Mr. and Mrs. Ray Rayfield, girl, April 3.
Mr. and Mrs. Lloyd Ruppard, boy, April 6.

At least 25 Piedmont and Mountain counties of North Carolina will produce aromatic tobacco this year, according to R. H. Crouse, State College extension agronomy specialist.

Elegant Fish Loaf

A fish loaf can be smart . . . It can have food style—of course! Just look at this golden crust and one with its interesting texture! When a homemaker finds a recipe which tells her to use leftover cooked fish, for convenience sake as well as economy, she should fasten it firmly in her book of favorite and special recipes. Especially one which recommends corn flakes as a particularly *flavorful* extender. For while she may be confident of the nutritional value of fish loaf as a family standby, she will also discover that guests will enjoy it, in-or-out-of Lent.

Tasty Fish Loaf
3 cups corn flakes, finely crushed
1 1/2 cups milk
1/2 cups flaked cooked fish*
1/2 cup sour cream
1/2 cup minced onion
1 tablespoon chopped parsley
1 tablespoon lemon juice
1/2 teaspoon Worcestershire sauce
1/2 teaspoon thyme
1 teaspoon salt
Dash of pepper
2 eggs, well beaten

Combine corn flakes and milk; let stand 10 minutes. Then add remaining ingredients, except eggs, and beat thoroughly. Fold in beaten eggs. Turn into well-greased 1-quart loaf pan and bake in moderate oven (375°F.) 1 hour. Serve with white sauce seasoned with small amount of mustard. Makes 6 to 8 servings.

*Fresh or quick-frozen cooked perch, haddock, cod, or flounder may be used. Or use canned tuna or salmon.

Films Feature Rotary Meeting

"Beauty in the Mountains" is the subject of the program at the Rotary Club meeting Thursday evening, April 12th at 6:30 p. m. A film produced by Hugh Morton for advertising services for the State Department of Conservation and Development is to be shown. Ted Malone, a very famous narrator is the narrator on this film. The State Department says it is really good. Any citizen wishing to see it should get in touch with some Ro-

tarian and the Rotarian will make arrangements for their attendance. Dr. Jack Lawrence is chairman of the program for the evening.

In the winter of 1954-55, N. C. dairy farmers fed only 26 per cent as much hay and silage to their cattle as did Wisconsin farmers.

The national peanut acreage allotment for 1956 is now set at 1,610,000 acres for all types of peanuts.

WHAT DO YOU MEAN, "JUST FACE LIFTING"?

EVERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new — just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

The Styling is New

Sure, it looks like a Buick. But it has a new V-prowed grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweep-spear is new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours. But that, friends, is only the beginning.

The 1956 Dynaflow* is New

It introduces what the engineers call "double regeneration"—which means a

double-action take-off. It gives you new, split-second response in the first inch of pedal travel—plus the "switch the pitch" at full acceleration, which no one else has yet approached.

The Ride is New

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

The Power is New

All 1956 Buicks have new and mighty 322-cubic-inch V8's—with record highs in power and compression—with unique new double "Y" manifolding to step up efficiency

—with new carburetor "deicing"—and a host of other new features to make owning a Buick pure pleasure.

The Thrill is New

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the *best Buick yet*—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM
