

Farm Committees To Be Elected Oct. 23

On Tuesday, October 23, you and your neighbors will be electing the ASC farmer-committeemen who in 1957 will be responsible for the local administration of such national farm programs as the Soil Bank Program, the Agricultural Conservation Program, Price Supports, Acreage Allotments, Marketing Quotas, Storage Facility Loans and others.

It is these men who will see to it that such national programs are properly adapted to conditions in Watauga county and to your farm, and it is the background and experience of these same men that will be mingled with that of the 153 thousand ASC farmer-committeemen in the United States in the formulation of any new program that developments in the coming year may require. This double-barrelled function of your farmer committee system has kept it vigorous through the years and has been largely responsible for the truly democratic developments and operation of your national

farm programs. You participate by helping to elect your Committeemen, by keeping them informed of the problems facing you and your community, by giving them your full support and cooperation in their job of program formulation and administration.

The county convention at which elected delegates will elect County Committeemen will be held on October 25.

You will be eligible to vote for your Community Committeemen, alternates, and delegates if you have an interest as owner, operator, tenant, or share-cropper, on a farm that is participating or is eligible to participate in any program administered during the current calendar year through your County ASC Committee office.

There are some mighty important decisions to be made in 1957! Many of them will affect you! Someone has to make them. Will your voice be heard?

The dance critic for the New York Times called Mark Ryder "one of the finest of all young

male dancers." Miss Frankel has been pronounced "lively, lithe, and utterly lovely" by the dance critic of the New York Herald Tribune.

A bumper crop of 462,000,000 bushels of soybeans is expected this fall. That is 62 per cent greater than the average United States crop for the beans and 24 per cent larger than the record 1955 crop.

Map Projects For All Boy Scouts In County

Plans were completed for several projects which will involve all of the 300 Boy Scouts, Explorers and Cub Scouts in the county at the district committee meeting at Green Valley on October 4.

All Scouting units will take part in the ASTC homecoming on October 13. Explorers will help direct traffic, run information booths, and form a color guard in the parade. Boy Scouts will usher and set up scouting exhibits on the campus, while Cubs will join the other units in the parade. All Scouts in uniform or with certificates of registration will be admitted free to the Homecoming game. ASTC traffic officer McCracken explained the duties expected of the Scouts on the special day.

Joe Davenport, field executive, explained the "Get out the vote" national good turn, in which Scouts will place reminders of the election on the doors of all voters on November 5.

Mr. Davenport also announced the terms of "Operation 6" by which units could "mortgage" themselves to add six new members to their unit. Troop 111 of Green Valley paid off its mortgage at the meeting and had its obligation cancelled. E. B. Fox, Jr., is the new Scoutmaster of the troop.

Roscoe Stevens of Winston-Salem, executive of the Old Hickory Council, spoke to the commit-

teemen. He announced that Joe Davenport, field executive of Watauga, Wilkes and Ashe counties, has been promoted to an assignment in Winston-Salem, and that his successor will be named shortly.

R. D. Hodges, Jr., announced that a court of honor will be held on Sunday evening, October 14, at the Boone Methodist Church. Lee Reynolds and Joe Minor are new members of the advancement committee in charge of the court.

Troop 111 of Green Valley was host troop for the meeting.
