Rolling wheels won't let them!

Some folks wonder whether it's important to go to Church every Sunday. Why not twice a month-or now and or at certain special seasons?

When the wheels stop rolling: RUST! When we relax in our quest of God or interrupt our pursuit of faith, then all the destructive influences in life begin to attack the soul.

The Church helps us keep open our spiritual right of way. And not only church-worship, but personal prayer, Bible reading and family worship rightfully deserve a place on our timetable.
