

News Of The Week At Valle Crucis School

Fifth Grade News
We have been studying all about the slaves and the time when they were freed; we have a map on the board showing how the people were divided among themselves, and how we had two presidents at the same time. We are reading all we can about Abraham Lincoln, and wondering about the little boy, born in a log cabin with a dirt floor, reading everything he could get his hands on, walking eight miles to pay a three-cent debt, splitting rails for twenty-five cents a day, and later achieving his country's highest honor. We have several books about Mr. Lincoln in our library, and we are reading every one.

Mr. Triplett's Eighth Grade
Our cookie sale has finally ended. First prize winner was A. B. Hodges, receiving 24 bars of candy and two dollars in money. Second place was Maranda Shores, third prize winner was Ronnie Aldridge, fourth prize went to Mildred Baird, fifth prize went to Geneva Ward. Each winner received 24 bars of candy.

Our room had the most parents at the P. T. A. meeting in December. We received the book "6 On Easy Street" by Betty Cavana. We hope we can keep this work up.

Due to the absent of our teacher Monday and Tuesday, Mrs. Jean Ann Triplett taught us.

We want to thank our lunchroom workers, Mrs. Love and Mrs. Ward for the nice lunches they are preparing for us.

Mrs. Campbell's Fourth Grade
We have made a desert garden. James and Donald brought the sand for our garden. A few children brought some plants for the garden. The plants were cacti. We have been studying about a few deserts in our geography book. The cactus stores water in its stems. These cacti are able to live on the desert because the sunlight, soil and water are right for them.

Our room made a bulletin board on the sun and planets. Pluto is the farthest away from the sun. Mercury is the closest to the sun. Saturn has a ring of gases around it. Scientists tell us that the sun is made of gases.

Third Grade News
On Tuesday of this week we had our doll show. Most all the girls brought dolls. They were very pretty and interesting. In size they ranged from two inches to thirty-two inches. There were baby dolls, children dolls and grown-up baby dolls.

The prizes went to the following girls:
Largest, Brenda Storie; smallest, Wanda Townsend; most cuddly, Kat Brine; most unique, Wanda Townsend; prettiest, Wanda Smith; prettiest dress, Janice Fox; the best size to play with, Charlotte Pressnell; the one that could do the most things, Linda Brown.

Honorable mention went to Lois Ann Greene, Virginia Smith and Pauline Church.

We are working on a pioneer unit in social studies. In one corner of our room we have a pioneer kitchen. A number of interesting old things have been brought in from the homes. Among them is a slate, a coffee mill, powder pouch, bullet moulds, dinner bell, skillet, tea kettle, moolen bowl and candle, a home made corn popper, and a shuttle. All of these articles have been in the families of the children from fifty to one hundred years.

Ronnie Christenbury, Sue Baird, Helen Reese and Beulah Fay Aldridge have been sick this week. We hope they will be back in school soon.

News Of Interest At Cove Creek School

The Cove Creek Junior Boys' 4-H club met January 13, at 10:30 o'clock. The meeting was called to order by the president, Gene Hayes. The devotional was read by Harold Dean Rominger. The secretary read the minutes.

Since there was no other business the meeting was turned over to W. C. Richardson, who gave out record books for the coming year, and discussed the purpose of them.

Our next meeting will be held March 10.

Library Club
The Cove Creek Elementary School Library Club met January 13 at 12:30 in regular session. The meeting was called to order by the president, Agnes Gray Shipley, and the secretary, Mamie Lois Hayes, read the minutes of the last meeting.

Mrs. Dora Mast met with the group and praised their efforts in working together to have a better library. She pointed out that new books have been added and more have been ordered.

The club is planning a program
