

Sputnik Should Not Bring Panic To Colleges, Gill Tells Grads

Boone Guardsmen Are Doing Duty In Strike

Henderson.—Between three to four hundred National Guardsmen moved into Henderson Sunday in preparation to going on active duty at Harriet-Henderson Cotton Mills Monday.

Unofficial, but reliable sources said that members of the 2nd Rifle Platoon, Company C, 2nd Bat. Group, of the 120th Infantry, were among the men going on duty Monday.

The National Guard was called out at Henderson recently, when settlement of the six-months strike at the two cotton mills was not perfected.

Waynick announced a few days ago that the guard troops on patrol duty will rotate every two weeks to avoid excessive personal hardship on the men.

Speeders Arrested By Patrolmen

Speeding led the list of traffic violations last week, as four persons were arrested by State Highway Patrolmen in Watauga County. Public drunkenness was second with three persons being arrested for this violation.

Other arrests were: two each for the following violations: Stop sign violation, no operator's license, driving on wrong side of road, improper muffler;

One each for: Throwing litter on highway; failure to comply with safety responsibility law; failure to report an accident; failure to give signal, reckless driving, passing on a curve, driving drunk, no lights, and failure to stop for siren.

In cases of heavy parasite infection, 25 per cent of cattle feed may be wasted.

North Carolina State Treasurer Edwin M. Gill told 351 graduating students of Appalachian State Teachers College at commencement exercises Sunday that methods and content are two sides of the same coin.

Teachers fall into the same category as lawyers and doctors, according to Mr. Gill. They must present both knowledge and the know-how to apply it.

All 351 graduates received teaching degrees—318 getting bachelor of science degrees, and 33 the master of arts in education.

In addition to technical knowledge, the state official said, it's important that all children learn to be intelligent voters and leaders for tomorrow and that their rights should be accompanied by responsibility.

Graduating with magna cum laude honors were Jo Ann Absher, of Jefferson; Barbara Abernethy, of Lincolnton; Martha Ann Baker, Kings Mountain; Jacquelyn Boswell, Danville, Va.; Grayson Bradley, Gerton; Shirley Butts, Dobson; Barbara Eubanks, Winston-Salem; Ira Gambill, North Wilkesboro; Phillip Johnson, Bostic; Mary Nesbitt Roberts, Weaverville; and Wilma Joan Snyder, Winston-Salem.

Dean D. J. Whitener presented the candidates for the B. S. degree and Graduate School Director Cratis Williams presented the candidates for the master's degree.

The Rev. J. K. Parker, pastor of First Presbyterian Church in Boone, led the invocation, and the Rev. E. F. Troutman, pastor of Grace Lutheran Church, said the benediction. Music was provided by the college choir and orchestra.

Prior to the graduating exercises, Dr. and Mrs. W. H. Plammons entertained at a luncheon for the graduating class and their parents and relatives.

GIVE "ALL" FOR HOSPITAL.—"The Little Rascals of Heaton," are shown around a chestnut barrel. They donated their "club treasure" to a fund for building the new hospital at Banner Elk.

Six Little Boys Save Pennies For Hospital

Heaton, N. C.—The six little boys shown above, who call themselves "The Little Rascals of Heaton," had carefully saved their pennies and icicles until they had \$3.21. They knew that the nearby town of Banner Elk was seeking money with which to build a new hospital which would serve the boys' community as the old Grace Hospital at Banner Elk had served in the past.

The program is not expected to last more than an hour, and parents and friends of scouts are encouraged to attend.

Plans are set to hold a district honor court every fifth Sunday, and the place of ceremonies will rotate among the various troops in the county, according to Dr. Derrick.

Oklahoma City — Thieves got trash when they robbed Nash Rader's service station; they carried off 25 old automobile tires Rader said he had been planning to throw away.

Weed Acreage Report To Be Gathered Soon

Soon after tobacco planting is completed a trained ASC reporter will visit every tobacco farm in the county for the purpose of securing an acreage report of all the tobacco planted on every tobacco farm.

In securing this report the reporter is required to:

- 1. Visit all fields on which an allotment crop is planted, that is for this county, tobacco and wheat.
2. Take all the measurements necessary to determine the acreage.

3. Estimate all wheat of 12 acres or less on farms for which no card showing "O" acreage has not been returned and producer does not request price support.

4. Measure all wheat above 12 acres or any acreage on which price support is requested.

All measurements of tobacco shall extend beyond the planted area to a point equal to one-half the distance between the rows.

The certification that the producer signs states that the acreage report represents all of such crops and land uses on the farm as constituted and designated by the farm number on the acreage report. Any fields, or additional acreage not listed on this report will be considered as a false acreage report for the farm and result in a reduction in the next allotment established for the farm.

All producers whose farms are found to be in excess of the allotment will be mailed an excess notice as soon as possible after measurement. The minimum charge for disposition of excess acreage will be \$5.00 per farm plus \$1.00 for each place more than one in which the producer will dispose of excess acreage.

The request for disposition must be filed at the ASC office with a deposit of the cost of disposition within 10 days from the

Trade Items

Mrs. Mary Tester, daughter of Mr. and Mrs. Glenn Tester of Johnson City, Tenn., is visiting with Mr. and Mrs. Milton Cornett of Trade, Tenn.
