Four thousand children will en roll in Watauga county schools Tuesday afternoon, August 25, when the county's school system. begins its 1959-60 term, according an announcement by W. Guy Angell, school superintendent

Students will report to their respective schools at 1.30 p.m., for the purpose of registration, room nment, issuance of text books and supplies and payment of school tees. Buses will begin picking up children at 12.00 noon and all schools will close at 3.30 on the first day

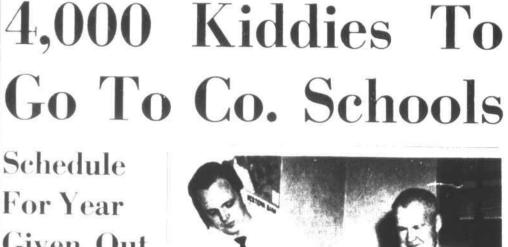

an opportunity to have lunch at home and as an advantage to rural students who may need to work a full half day prior to reporting to

The superintendent stated that, 'In accordance with the action of the 1959 General Assembly and the State Board of Education, all teachers will begin work two days prior to and one day following the regular 180 day instructional period." He explained the primary aim for this extended term is to provide the pupils with a net in stead of a gross instructional term of 180 days.

"In other words," he said, "it intended that certain essential activities preparatory to the be er, who will be followed by the ginning of the true instructional unveiling.
