Speaking Of Golf

By JOE MAPLES
I was in Charlotte Monday for the E. J. Smith Memorial Tournament and had a chance to talk to a good number of pros from North and South Carolina. A good number of them plan to play in our Blue Ridge Pro-Am Wed., Sept. 16th.

Invitations went out last week and I should be hearing from them later this week. All indications point to a very successful tournament. There is a slight possibility that Billy Joe Patton will play and for what it's worth, a special invitation has gone out to Mike Souchak. (We can hope, can't we?)

Qualifying for the club tournament picked up considerably during the past week with 34 entries in the men's division through Monday. The following are the men who have completed their 36 holes and their scores:

- John D. Broyhill 73-73-146
- Horace Dowling 84-75-159
- Grant Queen 84-75-159
- Jack Groce 80-79-159
- Jack Swafford 87-79-166
- Bill Roland 84-83-167
- Howard Cottrell 84-87-171
- Glenn Wilcox 86-89-175
- J. D. Cook 90-88-178
- Glenn Cottrell 90-88-178
- Morris Barnett 88-91-178
- Edward Critcher 94-85-179
- Clyde Austin 97-84-181
- Estel Wagner 92-90-182
- Edsel Hodges 95-87-182
- J. C. Cline 90-93-183
- Truman Critcher 94-90-184
- Hugh Hampton 88-98-186
- J. H. Thomas 97-89-186
- Raleigh Cottrell 95-93-188
- John Van Noppen 95-94-189
- Frank Hagaman 95-94-189
- O. K. Richardson 100-113-213

Two juniors have played their round so far. Barney Barnett shot 46-46-92 to complete his round, and Austin Adams played half of his, turning in 50.

In the Pee Wee division for boys through 13 years old, four have completed their round.

- Ronnie Hunt 51-61-112
- Sam Adams 56-57-113
- H. J. Cottrell 56-62-118
- Tom Adams 65-67-132

In the ladies division, four have signed up but only Pearl Dowling

Grid Coach To Have Graduate Assistants

Coach Bob Breitenstein announced this week that he and his staff of coaches will have the help of two graduate assistants when the football season gets underway.

Bill Stanley, former halfback for the Mountaineers, will be helping Coach Jim Duncan with the backfield. He has already reported for duty and is at work helping plan the Appa's strategy.

Charles O'Bryant, former player for N. C. State, will be helping Coach John Kirk with the line-men.

Coach Breitenstein, who will be serving his first year as head coach for Appalachian, indicated he is happy to have the assistance of these two young men, and felt they will be able to help the coaching staff in its work of rounding out a good squad.

Several good freshmen prospects are expected to report for duty Sunday, August 30, when they will be assigned rooms and get their physical examinations. Members of the squad will get their practice and game equipment Monday, and pose for squad pictures in the afternoon.

The squad will get down to training the first day of the month, and have practice sessions two times a day, and meetings at night.

Jim Hayes, star half back and fullback on last year's Appalachian High School Blue Devils team, is expected to show up for training on the Mountaineer team.

Other freshmen indicating they will be here to work out with the squad include, Rex Stuart, center and linebacker of Lincoln; Bob Butler, fullback and end from Glen Alpine; Tom Biggerstaff,

quarterback, from Glen Alpine; Mike Chandler, quarterback, of Decatur, Ga.; Paul Dellinger, center, from Newton; Lloyd Fairfullback, of Elizabethton, Tenn.; and Jerry Burnett, halfback, from Marion.

The Mountaineers face a full 10-game schedule this year, the first of which will be against Emory & Henry at Bristol, Va., just 19 days after training begins. First home game will be with Western Carolina, a North State Conference tilt, on September 26.

Other games are:
October 3—Elon at Burlington.
Oct. 10—Lenoir Rhyne, at Boone.
Oct. 17—Catawba at Salisbury.
Oct. 24—Homecoming game with Carson-Newman at Boone.

Oct. 31—East Carolina at Greenville.
Nov. 7—Guilford at Guilford College.
Nov. 7—Presbyterian of S. C., at Boone.
Nov. 21—Tampa University at Tampa, Fla.

SCORES USE OF G. I.'S

Senator Paul H. Douglas (D-Ill.) has said that nearly 5,000 service men were being used as "grocery store clerks" in military commissary stores.

"We are losing the equivalent of two full combat regiments by having enlisted personnel sell bread, meat and canned goods," Douglas claims. He also said that "A farce has been made of the law" governing such establishments inside the United States.

France promised self-sufficiency in oil.

Coe Insurance Team Downed By Tom's

Last week four more matches were conducted at the Rocket Bowling Lanes with the following results.

On Monday night Tom's Toasted Peanuts defeated Coe's Insurance by 27 pins. Boyd Cook with 467 pins was high for the winners and Ernie Lewis was high man for the losers with 486 pins. Tuesday night Boone Sheet Metal defeated the Four Roses by 127 pins. Jim Greene was high for the winners with 539 pins while John Greene was high for the losers with 461 pins. On Thursday night Boone Sheet Metal again defeated the Four Roses by 126 pins. Jim Greene was high again with 486 pins and John Greene was high for the losers with 401 pins. On Friday night Pepsi Cola increased their lead by defeating Smitherman's Gulf team by 450 pins. Dean Critcher was high man for the winners with 576 pins and Bob Barnes was high for the losers with 458 pins.

IRC teams conducted three ten pin matches on Monday, Tuesday and Thursday nights. In addition the newly formed duck pin league conducted two matches on Wednesday night.

Other groups interested in joining into teams and leagues should be making plans now for the fall and winter bowling season. There is much more fun in bowling in league competition.

Standings

TEAMS	W	L
Pepsi Cola	6	1
Boone Sheet Metal	4	2
Coe's Insurance	4	3
Tom's Toasted Peanuts	3	3
Smitherman's Gulf	1	5
Four Roses	1	5

TO MAP UNKNOWN

The United States in the coming year will explore unknown areas of Antarctica, attempt to determine if the frozen continent is divided, and study the birds and fishes of the polar region.

These plans for the exploration in 1959-60 were announced recently by the National Science Foundation, which has been given responsibility for directing the United States antarctic research program.

Doctor Talk

By JOHN B. REMBERT, M. D.
It shouldn't be necessary at this time to suggest again that all who have not received their Polio vaccine should do so without further delay. All of the latest figures show that at this time there are twice as many paralytic poliomyelitis cases as reported at this time in 1958. What is even more alarming is that at the rate cases are occurring at this time 1959 may be the worst polio year since the first introduction of the Salk vaccine in 1955.

Several figures will show what is happening in the United States in the four year period of 1955-1959 before the Salk vaccine was introduced there was an annual average of 39,000 polio cases. By the end of 1957 the average annual rate was below 6,000 cases. In the year 1958 the cases jumped above the 6,000 mark.

Considering only paralytic cases of polio the average is much greater for the first six months of 1959, some 956 paralytic cases having been reported through the week ended July 18, as against 43 cases for the same period of time a year ago.

After close checking of all paralytic cases thus far reported in 1959 it is interesting to note that nine out of every ten persons afflicted have not received the full series of three Salk inoculations. Figures now available conclusively prove that the Salk vaccine is 75 to 90 per cent effective.

For better, longer-lived stands, use Smith-Douglass SQUARE DEAL FERTILIZER

SQUARE DEAL FERTILIZER

- FOLLOW THESE SUGGESTIONS:
1. Have soil tested.
 2. Fertilize with 600 to 1,000 pounds of Smith-Douglass SQUARE DEAL 2-12-12 or 5-10-10.
 3. Prepare good seedbed. Disc soil thoroughly.
 4. Let good rain fall, if possible, before seeding.
 5. Seed good pasture mixture at right time.
 6. Cover seed lightly.
- Smith-Douglass SQUARE DEAL has six plant foods guaranteed to stimulate early root growth . . . give seedlings a rapid, vigorous start and winter hardiness. TREL, Smith-Douglass' exclusive trace element formula, is added to each ton to help produce strong sturdy pastures.
- Fall is an ideal time to topdress pastures. Properly fertilized pastures remain productive over long periods of time. Be sure to order Smith-Douglass SQUARE DEAL in an analysis to suit your mixture of grass and legumes.

ANNOUNCING FEEDER CALF & STEER SALES

To Be Held At

W. J. Livestock Market

WEST JEFFERSON, N. C.

Steer Sale Sat., Sept. 19, - 1 P.M.

Steers must be weighed in on Friday, September 18, 1959. We will sell all weights and grades of steers. They may be dehorned or not dehorned.

Second Sale Sat., Oct. 3, - 1 P.M.

This Sale Will Consist Of Calves And Yearling Heifers

That are not bred, 2 and 3 year old heifers that are bred to good bulls. Will also sell good cows that are bred to good bulls. All above mentioned cattle will be weighed in on Friday, October 2, 1959.

Feeder calves can be steers, bulls or heifers. There are no restrictions placed on weights of these animals. It has always been our policy to get the farmers the very best prices for their cattle without hampering them with a strict set of rules that will make them extra expense and trouble. There will be no registration fees. Our commission for selling your cattle will be \$2.00 per head, plus insurance of 2 cents per head and nominal feeding charge of 10 cents per head.

In our sale last year we had buyers from Pennsylvania, Indiana, Ohio, South Carolina, North Carolina, Virginia and Tennessee and we feel sure of adding some new ones to our list this year.

We will have well qualified grader to grade your cattle and you can have the privilege of NO SALE any or all of your cattle.

Please advise number of head of cattle you will have for each of these sales. Checks will be mailed promptly after sale.
