

Cove Creek Grade School

We were very happy to have Miss Stewart from the State Dept. of Public Instruction in Raleigh, with us last week. After school, we, together with the teachers of Valle Crucis, Mabel, Bethel, and Cove Creek High, met in the High School gym for a workshop in Physical Education. She was very helpful in helping plan the physical program for the school.

Visiting in our school last week were Mr. Angel of Boone and Mr. Hunter from Raleigh.

PTA Meeting

Cove Creek PTA met in the High School gym last week. Rev. Mr. Wilson gave the devotion. Rev. P. Winters of Valle Crucis presented the program—giving a very informative talk on the Boy Scout Oath. Refreshments were served by Mrs. Joyce Davis and some of her home economics girls.

First Grade News

We are very busy this week making plans for the visit of the goblins and witches. We have learned Halloween poems, songs, and games.

Recent visitors in our room were: Mrs. Edmisten, our supervisor, Mrs. Susie Gragg, Mrs. Chloe Norris, Mrs. Willard Johnson, Mrs. Robert Hodges, and Pam Swift from High Point.

Rudy Johnson visited the Smokies and Cherokee last week end. We were glad to have him tell us all about his trip.

Susie Church celebrated her birthday last Saturday.

We are collecting all the things that tell us that fall is here. We have leaves, pumpkins, nuts, various seeds, gourds, and ears of corn.

Second Grade News

Thelma Sue Trivette has a new baby sister. This makes eight girls in her family—Congratulations!

We are all very busy in our art class getting ready for Halloween. We have made many different decorations for the bulletin board.

Randy Hollars has moved to Tennessee. We are sorry to see him leave.

Our class has recently finished a project on leaves, flowers, seeds and berries. We enjoyed most of all the field trips, finding and collecting different specimens for our science corner.

Third Grade News

Our teacher was pleasantly surprised last Tuesday noon when we gave her a party. We invited the other teachers in our building.

Children having birthdays this month are Larry Brooks, Wilma Jean Tester and Olivia Trivette.

Tommy Campbell's mother has just returned from Ohio where she attended the funeral of her brother, Clark Horton.

Oleven Trivett's mother has a new baby girl named Connie.

Many children in our room have been attending revivals for the past several nights in their re-

spective churches.

Mike and Hou Mast told the class of attending services in their new church that has just been erected at Willowdale. The Sunbeams will meet there next Wednesday afternoon for the first time and colored slides of Hong Kong will be shown, after which refreshments will be served.

We are glad to have Roger Lee Dotson back with us. He has spent the last eighteen months in the Orthopedic Hospital in Gastonia.

Wilma Jean Harmon and Faye Trivett come to us from Bethel School, and Larry Woodie from Highland School in Maryland.

Keeta Brown, Rebecca Hodges, and Renee Lawrence are taking piano lessons this year.

Fifth Grade News

We have been learning new games during our physical education period. We especially enjoy kick-ball. Soon the weather will be too cold for ball then we will enjoy the new indoor games.

Those who have perfect attendance are as follows: Jerry Beach, Billy Combs, Steve Combs, Alvin Johnson, Joe Miller, Larry Tester, Roger Townsend, Patay Brown, Janice Fox, Barbara Hagaman, Sheila Harmon, Sharon Harmon, Judy Matheson, Jay McGinnis, Wanda Presnell, Jeanette Russell and Brenda Snyder.

We are glad to have Barbara Hicks back after several days illness with rheumatic fever.

Mr. Bentley is helping with a study of rocks and minerals found in the mountains. We find this to be very interesting.

Sixth and Seventh Grade News

We have been studying about plants and animals that you cannot see and some of us were almost beginning to doubt that there were such things, when one day we returned to our rooms from lunch, Mr. Atwood, the biology teacher at the high school was waiting for us. He had brought two microscopes with him and we saw algae, which is a microscopic plant and vorticella, Euglewa, protozoa and paramcium, which are microscopic animals. Now we are really enjoying our science classes.

Reva Lee Presnell, Gary Dodson, David Hayes, Jimmy Trivette and Kent Adams celebrated birthdays this month.

Apple juice should not be stored in contact with iron, copper, zinc, lead, tin plate or aluminum. Use stainless steel, glass enamel, monel metal, black tin or silver.

FOR SAFETY AT NIGHT

BE BRIGHT

Keep your lights clean and burning

Wool Price Support Is Pegged At 62 Cents

The price support or incentive price available to Watauga wool growers will be 62 cents per pound in 1960, according to Vaughn Tugman, Chairman of the County Agricultural Stabilization and Conservation Committee.

This wool incentive price is established under provisions of the National Wool Act of 1954, which directs the Secretary of Agriculture to take into consideration prices paid and other cost conditions affecting sheep production in determining a support price that will encourage an annual production of 300 million pounds of shorn wool.

The 1960 price of 62 cents per pound is the same price that was in effect during the first 5 years of ASC's wool program, running from 1955 through 1959. According to Tugman, production of shorn wool is slowly but surely approaching the 300 million pound goal set by the law. Estimated 1959 production is 252 million pounds. This is the largest amount

produced since 1946 and compares to 234 million pounds in 1953, the first year of the wool payment program.

Incentive payments to producers will be made by the ASC county office for the 1960 marketing year following the same methods that have been employed during prior years. Shorn wool payments will be equal to a percentage of each producer's cash returns from wool sales. The percentage will be that required to raise the national average price received by all producers for shorn wool up to the incentive price of 62 cents per pound.

ESCAPE ARTIST

Denver, Colo.—A prisoner, Miss Bernadine Maex, slipped into a laundry bag at the Denver County Jail in an attempt to escape.

The bag, with Miss Maex inside, was loaded on a truck and dropped off at the next stop, the Denver City Jail.

Okazawa Is Lion Speaker

The largest attendance for some months was entertained and instructed by the visit and address on Japan and the United States by Mr. Oskar Okazawa of Osaka, Japan.

Mr. Okazawa is a graduate of the University of Tokyo and is doing graduate work at Appalachian College under the sponsorship of Dean D. J. Whitener. In his quite manner, though at times enthusiastic and dramatic, he drew a picture of contrasts in many ways between the two countries.

Other guests in attendance were the following: Mr. Lincoln Kan, an American born Chinese and a graduate of the University of North Carolina, is also a graduate student in journalism at Appalachian; Mr. Nollie W. Shelton of the Department of Education in Boone, formerly from Camden, N. C., and now transferred from the Camden Lions Club to the Boone State Board of Education in Raleigh; Mr. E. H. Gibson of Gainesville, Ga., but a native of North Carolina and now a member of the faculty of Appalachian in the department of social studies; and Mr. W. R. Winkler, Jr. of Boone.

Lion President Wilcox and Lion W. R. Winkler made challenging appeals to the members to get out and vote on the bond election and to persuade neighbors and friends to do the same.

Lawrences Visit At UNC

Dr. and Mrs. Ray Lawrence spent the week end at Chapel Hill, visiting their daughter, Miss Mary Lawrence. They saw "Carousel," presented by the Carolina Playmakers in the Memorial Hall Auditorium Saturday evening.

Miss Lawrence was a member of the company presenting the Rogers and Hammerstein musical. She is a Junior at the University School of Dramatic Art.

CARD OF THANKS

The family of Mrs. Sallie Greene wish to thank their friends and relatives, Dr. Wilson, Hospital personnel and others for their kindnesses, sympathy and helpfulness during their recent bereavement. They also wish to thank the Warren-Miller Funeral Home for their services.

Chase On Tour To New York

Richard Chase, local author of books on Southern mountain folk tradition ("The Jack Tales," etc.) will be lecturing and giving programs of Appalachian folk tales and songs in New York City, in Connecticut, at Greensboro College, and in Reidsville, during the coming weeks.

Mr. Chase will be taking with

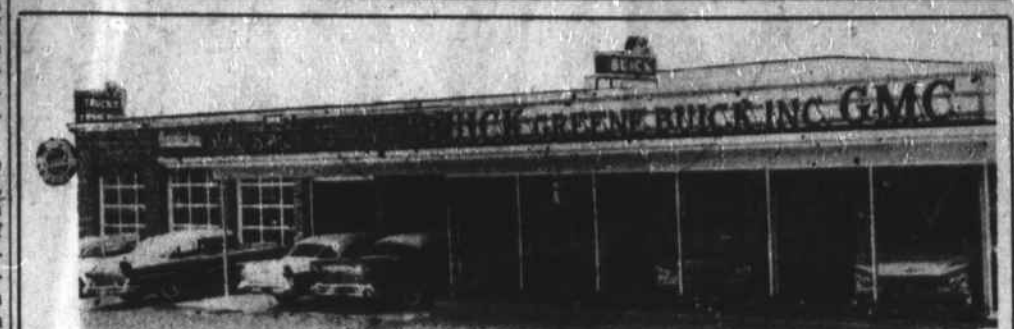

him on these trips products of the Folk Toys Home Industry: "Flipperingers," cornstalk hound dogs and horses, "Gee-haw Whimmydiddles," and others.

According to Mr. Chase, his New York publisher, New American Library (Signet Books & Co.) is making inquiries for an appearance on the TV program "Today."

Some months ago, Dave Garro-way exhibited a Watauga Whimmydiddle on his morning show, and Mr. Chase said, "we hope to see the 'new' folk toys on 'Today' in the near future."

Control plant lice and cabbage worms on collards, cabbage and greens with the proper insecticide.

Build next year's garden plot by planting a winter cover crop.
