

# Honor Society Service At Cove Creek High

The Cove Creek Chapter of the National Honor Society will hold its induction service Friday, November 11, at 1:00 p. m. All parents of Cove Creek students and former National Honor Society members are cordially invited to attend. After the induction service there will be a tea served in the library for the new members of the National Honor Society, the former members, and all the parents who attend the induction.

Cove Creek will hold Homecoming December 9. For the meal baked ham, creamed potatoes, green beans, baked apples, and cake will be served. In our homecoming basketball game we will play Appalachian High. All Alumni of Cove Creek are asked to attend. Homecoming is sponsored by the Senior class.

The Cove Creek senior class is now selling magazines to anyone who is planning to buy magazines please buy from the seniors. The seniors have a very good assortment of fine magazines. There are some 125 magazines on their selling list. Remember, magazine subscriptions make wonderful Christmas presents because they keep on giving the year around. There is a wide price range in these magazines that run from two to twelve dollars, so you can

see there is a magazine to suit most everyone's pocketbook.

The Senior class will begin selling Christmas cards within the next two weeks, and it will be appreciated if people in the Cove Creek High School district will buy their Christmas cards from the seniors.

The Senior boys played the faculty in a six-man tag football game Friday. Playing for the faculty were Mr. Moore, Mr. Fidler, Mr. Atwood, Mr. Williams, Mr. Evans, and Mr. Matheny.

Playing for the boys were Tommy Fox, W. L. Baird, Jackie Ward, Burl Snyder, Keith Tester, and Robert Freer.

The final score was twenty to zero in favor of the faculty.

Purpose of the game was to raise money for the senior class.

Mrs. Dave P. Mast's American History classes are sponsoring a mock election. The purpose of the mock election is to help teach students the importance to voting and to show them how a person goes about voting in this state. Registration was held the first part of the week. The actual voting will take place the 7th of November the day before the national election.

### Women Voters Meet Tuesday

"Your Vote is the Key," a movie describing the history, program, and operation of the League of Women Voters, will be shown in the basement of the Presbyterian Church at 8 o'clock Tuesday evening, November 15.

The movie is sponsored by a preliminary committee of local women who are working on the organization of a League of Women Voters in Boone.

The public is invited to the showing but especially invited are all women of voting age who think it is important to be well-informed before voting and who are interested in strengthening the democratic process of government through a more enlightened electorate.

**GOOD WORK**—Kenneth Schaefer, left, holds trophy he received in recognition of his outstanding presentation at International Resistance Company's series of industrial sales seminars held last spring. Congratulating him is J. B. Henry, IRC field sales manager. The recognition ceremony was held last week and besides local personnel of the company, those attending included Walter H. Powell, vice-president of industrial relations; Dr. Sidney J. Stein, vice-president of research engineering; Leo Jacobson, director of engineering; and Walter Canfield, IRC promotion manager and formerly marketing manager of the Boone plant. Mr. Schaefer is now marketing manager of the Boone division of IRC.—Photo Flowers Photo Shop.

## Know The Weather

By E. H. SIMS

Why does cold weather sneak up on us, while warm weather, or warm fronts, usually give ample warning of their approach?

There are two main reasons why cold snags in fall and winter catch us off guard. First, the cold front moves faster than a warm front. It can therefore pass in and over you more rapidly and change the weather in less time.

Second, and even more important, is the fact that cold fronts move across the surface of the earth with a backward slant. That is, the cold air mass reaches us on the ground before that same cold air is overhead. This slant some-

times extends back, at high altitude for many miles.

Therefore, when cold air is approaching there are no telltale clues in the sky above, as with a warm front, which slants forward. The first we know of it is when it reaches us at the ground level, and it is usually moving rapidly (thirty or fifty miles an hour).

# News Of Servicemen

### EIGHT WEEKS TRAINING

Fort McClellan, Ala.—Recruit Margaret S. Pitts, daughter of Gordon L. Pitts, Blowing Rock, completed eight weeks of basic military training October 19, at the Women's Army Corps Center, Fort McClellan, Ala.

Recruit Pitts received drill and physical fitness training and instruction in army history, traditions and career fields.

She is a 1950 graduate of Manor High School, Eagle Springs. Her mother, Mrs. Florence B. Thomas, lives at 13-P Pisgah View apt., Asheville.

### SERVING IN TEXAS

George E. Phillips, Airman Apprentice of the U. S. Navy reported for four months duty at Chase Field, Beeville, Texas, after having spent 14 days with his parents, Mr. and Mrs. Dean Netrb, and his sister, Peggy Phillips, student nurse of Charlotte Memorial School of Nursing.

### TRAINING IN KOREA

1st Cav. Div., Korea—Army Sgt. Billy G. Warren, whose wife, Elizabeth, lives in Zionsville, N. C., participated with other personnel from the 1st Cavalry Division's 4th Cavalry in Exercise Yellow Jacket II in Korea. The exercise ended Nov. 1.

Sergeant Warren, assigned to the cavalry's Company B, entered the Army in 1952, was last stationed at Fort Carson, Colo., and arrived overseas on this tour of duty last January.

Warren attended Madison, Wisconsin High School.

He is the son of Mr. and Mrs. Raymond F. Warren, Route 1, Hudson.

# Health and Beauty

The word protein is from the Greek verb 'proteos' meaning to come first. If you will heed this translation, you can find the key to figure control, weight stability, health and beauty.

There is no part of the body that is not in some way related to protein. Your hair is made of a protein substance, your nails, muscles and tissue.

Every day you expend variable amounts of protein, depending on your occupation. A laborer requires more protein than a desk worker. The best way to keep the bloom of youth and your body in a state of good health is to eat daily the amount of protein your body breaks down for use.

The higher the protein content of your food, the longer it takes for real hunger to be felt. Protein raises the body's blood sugar level so high that appetite hunger is slow to appear. Protein is the only food element that can raise the body sugar level high enough to keep you from desiring more food. Sugars and fats are burned almost immediately.

This does not mean that you should cut down on your intake of other healthful food, such as fresh fruits and vegetables, it just means that it is a good idea to include in each meal some kind of protein. For breakfast the customary eggs and bacon or sausage along with fresh fruits is perfect. For lunch choose a cottage cheese salad, or a toasted cheese sandwich with a green salad. Your evening meal should include beef, fish, poultry or game, or some other high protein meat, along with a balanced amount of vegetables and a starch.

The homemaker will find it will be a pleasure to supply her family with the right kind of meals. She will be rewarded with a healthier and handsomer family.

### MARRIES HER CREDITOR

London—Esther Vaughan, 49, dress designer, was solvent again—as a housewife.

Bankruptcy proceedings against her were dropped when the court was informed that her main creditor—Tom Vaughan, college teacher—had married her.

Vaughan told the court he had invested \$2,800 in her dress shop but eventually went bankrupt.

"I shan't bother about the claim now," he said. "She is worth every penny of it as a wife."

# Arrest Record

Drivers on Watauga county highways apparently took notice of the actions of highway patrolmen stationed here, as there was only one arrest for speeding last week, following a crackdown which resulted in several arrests.

Other traffic law violations causing arrests last week included:

Four for improper passing, two for reckless driving, one for being on the wrong side of road; three stop sign violations; one for following too closely; one improper light; one improper muffler; two no operators license; one expired operators license; one larceny of auto; one public drunk; one improper registration; one no liability insurance; and one for failure to transfer title.
