Cheerleaders Chosen At Appalachian High

Basketball Cheerleaders Chosen
Seven girls were chosen to membership on the varsity cheerleading squad for the 1960-61 basketball season by the popular vote of the student body in assembly on Friday, December 2.

Thirteen girls tried out before the students, first in pairs and then in groups of six, after which the students voted for six of those competing. Because of the closeness of the voting, seven girls were selected instead of the customary six. Those receiving the most votes were as follows: Dianna Watkins, Mary Hayes, Sissy Hayworth, Ann Hardison, Wanda Wilson, Pat Flowers, and Martha Allen.

At a meeting of the cheerleaders later in the day, Mary Hayes was selected to serve as chief, replacing Ann West, who will be participating in basketball.

Mr. Sneed is the sponsor of the cheerleaders.

NDEA Fund Campaign Continues

As related in last week's Democrat, the students of AHS are selling the world's finest chocolate to raise money so that the school can again this year take advantage of the NDEA funds now available to our school. It was hoped that at least \$900 could be raised in this manner; this amount would be matched by the federal government, or a total of \$1800 to be used for purchasing instructional supplies and equipment.

Sales seem to be moving rather slowly at present, and it is hoped that the parents and patrons of the school will cooperate by purchasing these delicious bars of chocolate from the AHS students. Perhaps the cost seems a little high, but as compared with similar chocolates, it is quite reasonable. Besides, profits realized are going to a most worthy and urgent cause. Those buying these bars of chocolate will be making it possible for their children to benefit from improved teaching facilities and equipment. Your cooperation, as always, will be most appreciated.

Anyone desiring to make purchases will please telephone the high school, and a student will call on you.
