Blowing Rock Horse Show May Be Best In History

By RACHEL RIVERS

The Blowing Rock Horse Show Association will present its thirty-eighth annual horse show at Broyhill Park August 3rd, 4th, 5th, and 6th. Four big days of spectacular horsemanship and elaborate parties will highlight the social activities of this season and will draw, as in the years past, an immense crowd to the mountains—to one of the best known shows in the country.

General Manager, Mrs. L. M. Tate, and Assistant Manager, Miss Mary Anne Tate, have worked diligently to produce an even larger and better show than ever before.

The popular Mr. Reed Wilson of Asheville will serve as Master of Ceremonies for the seven performances which will begin at 10:00 a. m. and 2:00 p. m. Thursday, Friday, and Saturday with a 2:00 p. m. starting time set for the championship competition on Sunday.

Judging in the hunter and jumper divisions will be the Honorable Edward Bywaters of Warrenton, Virginia, and from Millersburg, Kentucky will be the Honorable A. B. Plummer, D. V. M., judging the saddle horse entries.

There will be roadsters, western parade horses, pony hunters, gaited horses, Tennessee walking horses, open-jumping horses—these are just a few of the sixty-four classes, each with a different purpose and set of judging standards. All the classes will be equally pleasing to those who will turn, out at Broyhill Park next week to see the most exciting event of the summer.

Official veterinarian, Dr. John G. Martin of Boone, and the official farrier, G. E. (Pop) Houser,

will be available to the owners of the three hundred and fifty or four hundred horses that will be stabled on the grounds this year. And the competition will be quite keen among the horsemen; four memorial trophies, twenty-eight donated trophies, and \$4,445.00 in prize money are the stakes.

Thursday night of the horse show weekend, the exhibitors will be honored at a square dance in the American Legion Hall in Blowing Rock, and then Friday night the owners and riders will be invited to the Exhibitors' Party

"Northwest Showcase" Theme of Dixie Fair

"Showcase for the Northwest" is the new theme for the 1961 Dixie Classic Fair, to be held October 10-14 in the Coliseum at Winston-Salem. In making the announcement, Fair Manager Neil Bolton said, "This new theme" is most indicative of the purpose of the Fair in highlighting the industry, agriculture, products, and services of Northwest North Carolina."

Grading and Drainage Work Bolton also announced that new grading and drainage work has been done on the Fair grounds to drain away rain if it should come again this year, as it has for the last several years. He added that the Dixie Classic Fair is one of only three fairs in North Carolina where an Atomic Energy Commission traveling display can be seen this year. This display will be of considerable size and will bring with it its own motion picture sequences.

and Buffet Supper.

The famous Horse Show Breakfast will again be held at Mayview Manor, Saturday, August 5th, at 12:00 noon, and a more sumptuous buffet cannot be imagined.

"Anything the heart desires. . ."

Following that evening, will be the Horse Show Ball at Mayview Manor, the last party of the weekend, but one certainly not to be forgotten.

And this year's show will not be forgotten. So don't miss this summer's most spectacular event, The Blowing Rock Horse Show, Broyhill Park, August 3rd, 4th, 5th, and 6th.
