West Glow

The house known as "West Glow" was built in 1916-17 by Elliot Dangerfield, the well known artist. It is typically colonial with its columned porch facing Grandfather Mountain. It contains many pieces of antique furniture, among which is a unique set of Chippendale chairs bought in their original wrapping and dating to before the Revolutionary War. There is also a large silver roast cover which was taken from the family during the war and recovered in England on one of Mr. Dangerfield's numerous trips.

Hanging on the walls are several of Mr. Dangerfield's paintings and ancestral portraits. Mr. Dangerfield's son-in-law, Louis J. Lundean, is also an accomplished artist and an ardent horse lover. His paintings of horses, among many other subjects, are fabulous.

Mrs. Lundean, Mr. Dangerfield's daughter, is also an artist and well known for her very fine sculpture. Her works have been displayed in Blowing Rock and many pieces may be seen at her home, "West Glow."

Hostesses at this home will be Mrs. Virginia Bell Rhodes, Mrs. William L. Albison, Mrs. W. B. Garrison, Mrs. R. C. Finley, and

Mrs. T. V. Snively.

Silverstone

The home of Dr. and Mrs. H. L. Newton of Charlotte was built for the late R. A. Dunn in 1925 by the firm of Lockwood Green.

From this beautiful home one can see Grandfather Mountain, Table Rock, Hawk's Bill, and Mount Mitchell. Naturally the terrace is the favorite place to gather and enjoy the hospitality and nature's lovely view.

The house is constructed of native mountain stone. The first floor has interior beams and wainscoting of solid chestnut. A might hit this very fine wood a few years ago and the Parks Department is working to restore the trees.

Hostesses here will be Mrs. H. L. Newton, Mrs. Ruby Dillard, Mrs. Margaret Holt, Mrs. Ralph Schmucker, Mrs. Council Cooke, and Mrs. Louise Trivette.

Director of the tour is Mrs. John Gaemer. Mrs. Rebecca Smoot is chairman of the Parish Hall committee, and those assisting in serving refreshments will be Mrs. Ward Courtney, Mrs. Merlin Clabine, Mrs. Charles Sykes, Mrs. William Hogan, Mrs. Best Hildebrand, Mrs. Lena Reeves, Mrs. Elie Mattar, Mrs. Bryce Beard, Jr., Mrs. Pat Robbins, and Mrs. H. Fleming.

The guest book at the Parish House will be presided over by Mrs. E. F. Fennell and Mrs. C. S.

Prevette. Chairman of the home hostesses will be Mrs. Charles Sykes.

Acting as a historian committee will be Mrs. Billie Cook, Mrs. Charles Sykes, and Mrs. Mickey Reineking. The publicity chairman is Mrs. Elie Mattar, assisted by Mrs. Pat Robbins and Mrs. Charles Sykes.

There will be eight cars and the official drivers will be Mrs. George Holt, Mrs. Larry Harris, Mrs. Bryce Beard, Mrs. Virginia Bell Rhodes.

This third annual tour of lovely homes in the Blowing Rock area is something no one will want to miss. An opportunity of this nature comes but once in a lifetime.

The entire proceeds from the tour will be used for the support of the church.

MILITARY MANPOWER

President Kennedy ordered a new look at the nation's military needs following announcement of Soviet plans to increase arms spending and cancel armed-manpower reductions.

The President's order for the Defense Department survey—issued against a background of mounting concern over the Berlin situation—brought assurances that Congress will provide any necessary additional funds.

Mast Named To FHA Committee

Appointment of Frank Mast as a member of the Farmers Home Administration County Committee was announced this week by Jennings B. Robinson, the agency's county supervisor serving Watauga and Caldwell counties.

Mr. Mast operates a farm in Valle Crucis community. Two other members make up the three-member committee which works with the county supervisor to see that the best possible use is made of the agency's farm credit service program consistent with local farmers' needs. The other two members are Mr. Dallas Wilson of Reese and Mr. Joe J. Wellborn of Deep Gap.

Each member is appointed for a 3-year term. Mr. Mast succeeds Mr. Otto G. Thomas whose 3-year term expired this year.

The committee determines the eligibility of individual applicants for all types of loans. It also reviews borrowers' progress and aids the county supervisor in adapting the agency's loan policies to conditions faced by farmers in this area. Members are selected and appointed so that, so far as possible, different areas or neighborhoods are represented.

The Farmers Home Administration makes annual or intermediate term loans to farmers who need adequate funds to buy equipment and livestock and longer term loans to build or repair houses and other essential farm buildings, and to purchase or improve land suitable for family-type farm operations.

It also advances credit to farmers or their non-profit associations to establish and carry out approved soil and water conservation practices and to install and improve irrigation and farmstead water facilities.

Mr. Idol is a native of Watauga County. He was educated at Appalachian State Teachers College, Boone, where he received his bachelor and master degrees. His career as an educator has been mainly in Wilkes County, where he was teacher and later principal at Mount Pleasant, followed by a period as principal at Miller's Creek and since establishment of West High School he has been West District principal.

Supt. Eller explained that the position of West District principal will not be filled, due to the fact that reorganization of the school system following the coming school term will eliminate the position of district principals.
