

Speaking Of Golf

By JOE MAPLER

With the cold bad weather finally upon us, one of our local golfers, not being able to play much lately, entered and won a national contest to name a new golf car. Bob Masten submitted the name of "Bogey Buggy" and was notified a few days ago that he was in a three way tie with two others that had sent in the same name. Bob received a phone call Friday night with the good news that he had won the contest over the others. For having the winning name, Bob wins one of these carts which carry his name. I understand it to be a one man cart powered by gasoline. The new name plus a picture of Bob will appear in a future issue of Golfdom magazine which has a nationwide circulation to golf courses all over the country.

The 14th annual Donald J. Ross Junior Golf Tournament will be held at the Pinehurst Country Club Wednesday, December 27th. This is an 18 hole event, with three divisions, A, B, and C. Boys age 15 through 17 play in class A, boys age 11 through 14 play in Class B and boys under 11 play in Class C which will be a nine hole event. There is no entry fee for this event and no greens fee, its free and will be followed by a father and son tournament on the 28th.

Anyone wishing to play in one or both of these events should send their entry to Kenneth M. Schroeder, Secretary, Pinehurst Country Club, Pinehurst, N. C. This is a fine junior tournament in memory of a wonderful gentleman and I urge every local junior that qualifies to go if at all possible. If there is more information you need, contact me either at home or at the golf shop. The monthly meeting of the
