**WHITE PINES SET FOR CHRISTMAS TREES AT FOSCOE**

**Landowners Plant 200,000 Seedlings**  
During the past tree planting season, Watauga County landowners have planted 200,000 seedlings for reforestation and Christmas tree production, according to Clyde Moretz, chairman of the Supervisors of the Watauga Soil and Water Conservation District.  
The main species planted were white pine, 153,000; Scotch pine, 22,500; and Fraser fir, 22,500.  
There are many acres of steep or eroded land in Watauga County which should be planted to trees, according to Moretz.

## Wild Berries Are Plentiful

(continued from page 2)  
The Fox-grape, which ripens in the Fall after frost has scorched the leaves, is truly a kind of wild currant. It is a small fruit, almost black when ripe, occurring in little clusters and as sour as vinegar. But if you have never tasted the jelly made therefrom, you really have something to live for. Unfortunately the vines once common in our oves and valleys have largely vanished with the oaks and other hardwoods. The vines of the Fox-grape are vigorous climbers. The fruit is difficult to gather except by the birds, opossums and that famous little fellow, the raccoon.

**GOSPEL SINGING**  
There will be a Gospel Singing held in the courthouse July 27 from 8 p. m. to midnight, featuring The Spiritualaires quartet and the Swords-men quartet from Winston-Salem. Both quartets are stars of television, radio and stage. Everyone is invited to attend. Admission will be \$1.00 for adults and 50c for children. Children under 12 years admitted free when accompanied by an adult. 7-18-2c
